Warrant for the Annual Town Meeting

MARCH 1, 1915

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To George Twigg, a constable of the Town of Needham, in said county, GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town on Monday, the first day of March next, at five forty-five o'clock in the forenoon, then and there to act upon the following articles, viz.:

ARTICLE 1. To choose by ballot the following town officers: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three

years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote yes or no on the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

ARTICLE 2. To choose or appoint all other necessary town officers in such manner as the town may determine.

ARTICLE 3. To hear and act on the reports of town officers and committees.

ARTICLE 4. To see what disposition the town will make of the money received for dog licenses.

ARTICLE 5. To see if the town will vote to authorize the treasurer with the approval of the selectmen to borrow money in anticipation of the revenue of the current financial year.

ARTICLE 6. To see what sums of money the town will appropriate for the construction, maintenance and repairs of highways, townways, sidewalks and bridges; for the support of schools; for the maintenance of the public library; for the relief and support of the poor; for the observance of Memorial Day; for the care and improvement of parks and public grounds; for the use of the tree warden; for other necessary town charges and expenses, including unpaid bills of 1914.

ARTICLE 7. To see what action the town will take in regard to unexpended balances.

ARTICLE 8. To see how the town will have its taxes collected and fix the compensation therefor, for the current year.

ARTICLE 9. To see what action the town will take in regard to the pay of town officers.

ARTICLE 10. To see if the town will vote to adopt the schedule form of fire insurance.

ARTICLE 11. To see if the town will appropriate the sum of fifty-five hundred dollars for the purchase of a motor fire apparatus or pass any vote or votes relative thereto.

ARTICLE 12. To appropriate money to pay the tuition of pupils in the vocational school at Newton.

ARTICLE 13. To see if the town will take by right of eminent domain a parcel of land situated in the Riverside district on the south side of Highland street consisting of lots 51, 52, 53, 54, old lot 7, and sufficient owned by Joseph Preskenis adjoining the back of these lots, so that the whole tract shall be a square 150 feet per side, said land to be taken for the purpose of erecting thereon a building to be used for a public school, and to see if the town will appropriate money to pay for this land so taken.

ARTICLE 14. To see if the town will vote to buy a lot of land on or near Riverside street, off Highland ave., near the Charles River, for the location of a school house and appropriate money therefor, or pass any vote or votes relative thereto.

ARTICLE 15. To see what sum of money the town will appropriate for grading the grounds at the Stephen Palmer school and for sidewalks on May and Pickering streets, and for walks to the building and for a suitable division fence on the east side of the lot, or pass any vote or votes relative thereto.

ARTICLE 16. To appropriate money to build the approaches to High Rock street bridge.

ARTICLE 17. To see if the town will vote to accept

Manning street from Powers street to Gibson street, as laid out by the selectmen.

ARTICLE 18. To see if the town will vote to accept Otis street from Webster street to the DeLue farm, as laid out by the selectmen under chapter 50 of the Revised Laws and amendments thereto.

ARTICLE 19. To see if the town will vote to appropriate the sum of nine hundred dollars for the construction of Otis street upon the petition of Samuel Kingsbury and others.

ARTICLE 20. To see if the town will vote to extend its wa er main on Greendale avenue from present dead end to St. Cloud avenue, and appropriate money for the same, on petition of W. S. Cassidy, jr., and others.

ARTICLE 21. To see if the town will instruct the selectmen to appoint a play ground commission under chapter 508 of the revised laws of 1910.

ARTICLE 22. To see if the town will authorize the play ground commission to be appointed under the foregoing article to make a survey for an athletic field and to expend not more than one hundred dollars for such expert engineering advice as they deem necessary.

ARTICLE 23. To see if the town will vote to appropriate the sum of four hundred dollars to equip the Avery school yard for a small play ground and to supervise the same, on petition of Frank W. Gorse and others.

ARTICLE 24. To see if the town will purchase the gymnasium equipment formerly used by the Needham Young People's Association for the use of the high school pupils, and appropriate the sum of five hundred dollars therefor, on petition of Leonard O. Packard and others.

ARTICLE 25. To see if the town will make the following amendments to the building laws. In part A. section 7, "Proximity to other buildings" to read, "No wooden building to be used for a dwelling house shall exceed forty-five feet in height, and no portion of any wooden building over ten feet in height shall be placed at a less distance than ten feet from the line of the lot upon which the building is to be located except in the case of an addition to an existing dwelling in which case the before mentioned addition may be placed at a distance not less than five feet from the lot upon which the addition is to be located. In both cases if the dwelling is within ten feet of another wooden building, a fire resisting wall is to be substituted for a wooden wall of a thickness and in the manner prescribed for fire resisting wall" and in part B, section 26, "Distance from side lot line" to read, The side walls of any tenement house hereafter erected, enlarged or placed shall not be nearer than ten feet to the line of any adjoining lot or nearer than twenty feet to a wall or any other building except in the case of an addition to an existing dwelling in which case the before mentioned addition may be erected at a distance no nearer to the line than the present dwelling." Upon petition of Isaac A. Grant and others.

ARTICLE 26. To see if the town will vote to assume the expense of the suppression of gypsy and brown tail moths in the Needham cemetery, including the bill for nineteen fourteen, and appropriate money therefor.

ARTICLE 27. To see if the town will vote to pay the balance due on account of the publication of Needham's Bicentenial Celebration and appropriate money therefor.

ARTICLE 28. To see if the town will vote to appropriate the sum of five hundred dollars for the celebration of

July fourth, nineteen fifteen, on petition of J. Percy Chambers and others.

ARTICLE 29. To see what action the town will take upon the recommendation of the committee appointed by the voters of the Town of Needham, June 16, 1914, to report regarding amending or revising the by-laws of the town in regard to plumbing.

ARTICLE 30. To see if the town will vote to issue additional water loan bonds under and according to the provisions of chapter 107 of the acts of 1888, chapter 514 of the acts of 1913, and all intervening acts relating thereto.

ARTICLE 31. To see what action the town will take in regard to borrowing money in anticipation of issuing its water loan bonds.

ARTICLE 32. To see if the town will vote to amend section five of the by-laws adopted at the town meeting held in January, 1910, and amended at the town meeting held in March 1910, striking out the second paragraph and inserting in the place thereof the following: "It shall be the duty of the finance committee to inform themselves concerning those affairs and interests of the town the subject matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided however, that any such information may be withheld when in the opinion of the officer or board of officers so requested, the communication therefor might injuriously effect the interests of the town or its citizens. The finance committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were elected, and they shall report

in print before all such town meetings their estimates and recommendations for the action of the town.

Article 33. To see if the town will vote to reimburse the board of fire engineers the amount expended by said board in securing a decision of the supreme court as to the interpretation and meaning of the General Statute providing for the establishment of fire departments in towns and the appointment of engineers for such departments; and appropriate the sum of two hundred and fifty dollars for such reimbursement, on petition of George W. Southworth and others.

Article 34. To see if the town will vote to have the reports of its officers, and the proceedings of this and subsequent town meetings printed and copies thereof distributed.

Article 35. To see what action the town will take to have its by-laws revised or amended.

Article 36. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, and to act upon the appropriations asked for or proposed by the selectmen or by any town officers or committees.

The polls may be closed at four o'clock p. m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant, with your doings thereon, unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid this twenty-eighth day of January A. D. nineteen hundred and fifteen.

JAMES M. McCRACKEN,
SAMUEL H. WRAGG,

Selectmen of Needham.

[SEAL]

Officer's Return

NORFOLK, ss.

NEEDHAM, Feb. 13, 1915.

By virtue of this warrant I have notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said town, at least seven days before the time of holding said meeting. And by leaving a copy at each of the several dwelling houses as within directed.

GEORGE TWIGG,

Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,

Town Clerk.

Record of the Annual Town Meeting

MARCH 1, 1915

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Monday, March 1, A. D. 1915, at forty-five minutes past five o'clock in the forenoon.

The meeting was called to order by the moderator.

Voted to omit reading the articles in the warrant.

The town clerk read the warrant and the return of the officer who notified and warned the inhabitants.

ARTICLE 1. Voted to proceed to vote for the following town officers, viz.: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following question: "Shall

licenses be granted for the sale of intoxicating liquors in this town?"

Pursuant to sections 235 of chapter 835 of the Acts of 1913, the selectmen having appointed Henry T. Childs, James E. Tisdale, Charles P. Cobb and William A. Murphy as ballot clerks, they were sworn to the faithful discharge of their duties by the moderator.

The ballots prepared for use at this election by the town clerk were then delivered by him to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were then posted as required by section 280 of chapter 835 of the Acts of 1913.

The ballot box furnished by the Commonwealth for use at elections was publicly opened by the moderator and shown to be empty. The box was then locked and the key delivered to George Twigg, the officer in attendance.

Voted that no motion in regard to closing the polls be entertained until fifteen minutes past four o'clock in the afternoon.

Voted to defer action on all articles except article one, for the election of officers, until thirty minutes past seven in the afternoon.

The polls were opened at forty-nine minutes past five in the forenoon and were kept open until thirty minutes past seven o'clock in the afternoon, when, as the meeting had previously voted, they were closed.

Tellers were appointed by the moderator and sworn by him, viz: Willard R. Toone, S. Frank Quinlan, Henry Godfrey, Jr., William W. Hewett, William Wallace, Clyde E. Cookson, Bernard F. Whitaker and Samuel Wilson, Jr.

As the ballots were taken from the box they were audibly counted by the presiding officer, the whole number being 1376.

The whole number cast by men voters was 1076. The whole number cast by women was 300, which agreed with the number of names checked by the ballot clerks.

Additional tellers were appointed by the town clerk and sworn by him as follows, viz: Lewellyn W. Stevens, William C. Payne, Earl A. Carvill and William F. Leach.

A canvass of all the votes given was made as required by law, the blanks furnished by the secretary of the Commonwealth being used.

During the absence of the moderator the town clerk presided, as required by section 3 of chapter 346 of the Acts of 1902.

Upon completion of the canvass of all votes cast, the whole number being duly sorted, counted and recorded, public announcement thereof was made by the town clerk in open meeting and was as follows, viz:

FOR MODERATOR

Allston R. Bowers, 49 Chestnut st.,	311
William G. Moseley, 34 Dedham ave.,	703
Blanks,	62

and William G. Moseley was declared elected moderator for one year.

and William Carter and Robert B. Walker were declared elected trustees of public library for three years.

FOR PARK COMMISSIONER (for three years)

Charles W. Pease, 78 Dedham ave.,	536
William T. Wilson, Highland ave.,	413
Blanks,	127

and Charles W. Pease was declared elected park commissioner for three years.

FOR BOARD OF HEALTH (for three years)

Virgil A. Rowe, 503 Highland ave.,	780
Blanks,	296

and Virgil A. Rowe was declared elected a member of the board of health for three years.

FOR FINANCE COMMITTEE (for three years)

Redington Fiske, Webster st.,	752
Walter K. Queen, 459 Highland ave.,	747
Frank C. Rogers, 821 Great Plain ave.,	686
Blanks,	1043

and Redington Fiske, Walter K. Queen and Frank C. Rogers were declared elected finance committee for three years.

Upon the question, "Shall licenses be granted for the

sale of intoxicating liquors in this town?" the result was as follows, viz:

Yes,	269
No,	694
Blanks,	113

After the result of the voting had been declared, the ballots cast, the undistributed ballots, and also the check lists were sealed up, endorsed by the election officers and placed in the custody of the town clerk.

Voted to adjourn to Thursday evening, March 18th, 1915, at 7.30 o'clock.

Adjourned.

Attest: THOMAS SUTTON,
Town Clerk.

Recount of Ballots

NORFOLK, ss.

Blanks,	41

Attest:

CHARLES M. DONAHUE,
COLIN RAE,
WILLIAM C. PAYNE,
THOMAS SUTTON,
Registrars of Voters.

Warrant for Town Meeting

MARCH 18, 1915

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To Samuel F. Light, a constable of the town of Needham, in said county, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Thursday, the eighteenth day of March, at seven-thirty o'clock in the afternoon, then and there to act upon the following articles, viz:

ARTICLE 1. To see if the town will vote to ratify and confirm the vote under Article 5 of the warrant for the town meeting of June 16, 1914, whereby it was voted as follows:

That the town treasurer be and hereby is authorized and directed to issue the negotiable bonds or notes of the town in the aggregate principal sum of $10,000.00, said

bonds or notes to be dated September 1, 1914, payable $500.00 thereof on the first day of September in each of the years 1915 to 1934 inclusive, bearing interest at the rate of four per cent per annum, payable semi-annually, on the first day of March and September of each year. Said bonds to be denominated "Needham Public Library Loan." They shall be signed by the treasurer and countersigned by a majority of the selectmen of the town. The treasurer shall sell bonds and the proceeds thereof shall be used solely to pay the appropriation voted by the town for the construction of a public library building on the corner of Highland avenue and Rosemary street, or take any action in relation thereto.

ARTICLE 2. To see if the town of Needham will pay to Clyde E. Cookson the sum of fifteen hundred dollars ($1,500.00), to reimburse him for medical expenses and loss of time resulting from injuries sustained by him in the performance of his duties as a fireman, on March 19, 1914, at a fire on Greendale avenue, Needham, in accordance with a recent act of the Legislature entitled, "An Act to authorize the town of Needham to pay a sum of money to Clyde E. Cookson," or see what action the town will take in the matter, upon petition of Polydore E. Riley and others.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting, and also to leave a copy at each of the several dwelling houses within the town.

Hereof fail not, and make due return of this warrant, with your doings thereon, unto our town clerk, on or before said day and hour.

Given under our hands at Needham aforesaid, this ninth day of March, A. D. nineteen hundred and fifteen.

SAMUEL H. WRAGG,
JAMES M. McCRACKEN,
GEO. W. BAKER,

[SEAL] Selectmen of Needham.

Officer's Return

NORFOLK, ss.

Needham, Mass., Mar. 16, 1915.

By virtue of this warrant, I have notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, at least seven days before the time of holding said meeting, and by leaving a copy at each of the several dwelling houses as within directed.

SAMUEL F. LIGHT,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

Record of Town Meeting

MARCH 18, 1915

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Thursday, the eighteenth day of March, in the year one thousand nine hundred and fifteen, at 7.30 o'clock in the afternoon.

The meeting was called to order by the moderator.

The clerk read the warrant and the return of the officer who notified and warned the inhabitants.

ARTICLE 1. Voted unanimously to ratify and confirm the vote passed at the town meeting of June 16, 1914, under Article 5 of the warrant for said meeting, wherein it was voted as follows:

That the town treasurer be and hereby is authorized and directed to issue the negotiable bonds or notes of the town in the aggregate principal sum of $10,000.00, said bonds or notes to be dated September 1, 1914, payable $500.00 thereof, on the first day of September in each of the years 1915 to 1934 inclusive, bearing interest at the rate of four per cent per annum, payable semi-annually, on the first day of March and September of each year. Said bonds

to be denominated "Needham Public Library Loan." They shall be signed by the treasurer and countersigned by a majority of the selectmen of the town. The treasurer shall sell said bonds, and the proceeds thereof shall be used solely to pay the appropriation voted by the town for the construction of a public library building on the corner of Highland avenue and Rosemary street, and all acts done under authority of said votes.

ARTICLE 2. Dismissed.

Voted that this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

Adjourned Annual Town Meeting

MARCH 18, 1915

Pursuant to adjournment, the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, met in the town hall in said town, on Thursday, March 18, 1915.

William G. Moseley, moderator in the chair.

ARTICLE 2. Under this article the following town officers were elected:

HIGHWAY SURVEYORS, FENCE VIEWERS, AND TOWN AGENTS

Samuel H. Wragg, James M. McCracken, George W. Baker.

SURVEYORS OF LUMBER

Isaac Grant, Alfred Parker.

FIELD DRIVERS

George Twigg, Alexander Lynes, Lewis Hasenfus.

MEASURERS OF WOOD AND BARK

James H. Whetton, Joseph Willett, Patrick J. Reid, Henry E. Poore, Armand J. Mathey, Patrick Gaughan.

PUBLIC WEIGHERS

Bertha E. Coburn, Joseph Willett, James H. Whetton,

Patrick J. Reid, Armand J. Mathey, Henry E. Poore, Arthur H. Whetton, Isaac Warren, John R. Nichols, Patrick Gaughan.

SEALER OF WEIGHTS AND MEASURES

Isaac Warren.

POUND KEEPER

Alger E. Eaton.

ARTICLE 3. Voted that the report of the finance committee be accepted.

ARTICLE 4. Voted that there be appropriated for the use of public library the money received from dog taxes amounting to seven hundred and nine dollars and sixty-two cents.

ARTICLE 5. Voted unanimously that the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1915, and to issue a note or notes therefor payable within one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

ARTICLE 6. The following appropriations were made under this article, each item being voted on separately, viz:

For selectmen's department, seven hundred and fifty dollars ($750).

For accounting department, one thousand dollars ($1,000).

For the treasurer's department, nine hundred dollars ($900).

For the tax collector's, one thousand dollars ($1,000).

For the assessors', twenty-eight hundred dollars ($2,800).

For the town clerk's, four hundred and seventy-five dollars ($475).

For the finance committee, one hundred dollars ($100).

For election expenses, six hundred dollars ($600).

For care and maintenance of town hall, one thousand dollars ($1,000), and an amount equal to receipts.

For water commissioners' salaries, two hundred and twenty-five dollars ($225).

For interest on temporary loans, thirty-five hundred dollars ($3,500).

For police department, four thousand dollars ($4,000), and an amount equal to court fines and other receipts.

For fire department engineers' salaries, three hundred dollars ($300).

For fire department hydrant service, three thousand dollars ($3,000).

For fire department maintenance, fifty-four hundred and twenty-three dollars ($5,423), and an amount equal to receipts.

For fire alarm maintenance, twenty-nine hundred and fifty dollars ($2,950).

For inspection, eleven hundred dollars ($1,100), and an amount equal to receipts.

For tree warden, seven hundred dollars ($700).

For enforcement of the liquor law, one hundred dollars ($100).

For board of health, eleven hundred and fifty dollars ($1,150).

For extermination of gypsy and brown-tail moth, thirty-

three hundred and sixty-five dollars and fifty-three cents ($3,365.53), and an amount equal to receipts.

For the suppression of gypsy and brown-tail moth on private estates, two thousand dollars ($2,000).

For forest warden, one hundred and twenty dollars ($120).

For school department, fifty-two thousand one hundred and twelve dollars ($52,112), and the income from Dwight School Fund and an amount equal to the receipts from tuition and sale of books.

For school physicians, three hundred dollars ($300).

For public library, twenty-four hundred dollars ($2,400), and an amount equal to the receipts from fines and other resources.

For highways, sixteen thousand dollars ($16,000), and an amount equal to the receipts from private individuals, street railway and excise tax.

Voted that there be appropriated for highway construction the sum of twenty-five hundred dollars, and the treasurer be authorized to borrow this amount, provided the Massachusetts Highway Commission allot the sum of twenty-five hundred dollars for this work, as provided in sec. 4, chap. 719, of Acts of 1913, in anticipation of the amount which the state is to reimburse the town on account of highway construction.

For sidewalks, two thousand dollars ($2,000), and an amount equal to the receipts from individuals.

For removal of snow, twelve hundred and seventy-five dollars ($1,275).

For street lighting, eight thousand seven hundred dollars ($8,700).

For relief and support of poor, six thousand dollars ($6,000) and an amount equal to the receipts.

For soldiers' relief, eleven hundred dollars ($1,100).

For state and military aid, twelve hundred and fifty dollars ($1,250).

For park commissioners, eight hundred and fifty dollars ($850).

For Memorial Day, one hundred and fifty dollars ($150).

For printing and distribution of town report, expense of dog officer and certification of town notes, thirteen hundred and seventy-five dollars ($1,375).

For unpaid bills for the year 1914, thirty-five hundred dollars ($3,500).

For reserve fund, twenty-five hundred dollars ($2,500).

For abatement of taxes, twelve hundred dollars ($1,200).

For interest on loans, sixty-seven hundred and sixty-three dollars ($6,763).

For municipal indebtedness, twenty-three thousand and three hundred dollars ($23,300).

Article 7. Voted that the unexpended balances for the year 1914 be returned into the treasury.

Article 8. Voted, that all poll and personal property taxes shall be payable on demand, and all other taxes on or before the first day of October. Interest at the rate of 6% per annum shall be charged from October 15th, on all taxes not paid on or before the first day of November. The collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December.

(The above shall be printed on the tax bills.)

The collector of taxes shall have the same power which the treasurer would have when acting as collector.

If, in the judgment of the collector, in consequence of

removal, or any other circumstance, any tax should be collected before the first of October, he is fully authorized to serve his warrant in the collection of such tax at any time. The collector shall guarantee the full amount of all taxes legally assessed and committed to him for collection and shall be held to pay the town treasurer the same, with any interest that may accrue thereon (except such sums as may be abated by the assessors); he shall pay the said taxes and interest from time to time, as he collects the same, and shall pay the full amount of all taxes committed to him, with the accrued interest, according to statute requirement.

The tax collector shall receive three-fifths of one per cent of the tax warrant for collection of the taxes for the year 1915 payable monthly as and when same are collected, except there shall always be reserved twenty per cent of the amount due him until the total warrant is collected, when the balance shall be paid him; this compensation shall include all expenses.

Article 9. Voted that the salaries of town officers be the same as in 1914.

Article 10. Voted that the town adopt the schedule form of fire insurance, and the board of selectmen be empowered to take the necessary steps to bring it about and place all insurance thereunder in the future.

Article 11. Voted that this article be dismissed.

Voted to adjourn to Monday, March 29th, 1915, at 7.30 o'clock p. m.

Adjourned.

Attest: THOMAS SUTTON,

Town Clerk.

Adjourned Annual Town Meeting

March 29, 1915

Pursuant to adjournment the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, met in the town hall in said town on Monday, March 29, 1915, at 7.30 p. m., William G. Moseley, moderator, in the chair.

Article 12. Voted to pay the sum of three hundred and seventy-five dollars ($375) for the tuition of pupils in the vocational school at Newton.

Artice 13. Dismissed.

Article 14. Voted that the town purchase lots No. 19 to 42 inclusive as shown on plan of W. A. Mason and Son of Hood Park, bounded by Highland street, Riverside street and High street, and appropriate eleven hundred dollars ($1100) for the purpose of location of Riverside school.

Article 15. Voted that the sum of two hundred and fifty dollars ($250) and balance of appropriation amounting to fifty-three dollars and one cent, be appropriated for grading the grounds of the Stephen Palmer School.

Article 16. Motion under this article not carried.

Article 17. Voted that the town accept that portion

of Manning street which lies between Powers and Gibson streets, as laid out by the selectmen.

ARTICLE 18. Dismissed.

ARTICLE 19. Dismissed.

ARTICLE 20. Voted to refer to the water commissioners.

ARTICLE 21. Dismissed.

ARTICLE 22. Voted to indefinitely postpone.

ARTICLE 23. Voted that the town appropriate the sum of four hundred dollars ($400) to equip the Avery school yard for a small playground and supervise the same, to be expended under the direction of the school committee.

ARTICLE 24. Voted to refer to the school committee.

ARTICLE 25. Voted to indefinitely postpone.

ARTICLE 26. Dismissed.

ARTICLE 27. Voted that the sum of five hundred and eight dollars and seventy-five cents ($508.75) be appropriated to pay the balance due on account of the publication of the history of the Needham Bi-centennial Celebration.

ARTICLE 28. Motion under this article not carried.

ARTICLE 29. Voted to accept the report of the committee on by-laws and that the building inspector procure sufficient copies of the plumbing by-laws to supply citizens who may apply for them.

ARTICLE 30. Voted unanimously that the town issue its water loan bonds or notes to the amount of thirty thousand dollars, to be dated the first day of September, 1914, to bear interest at a rate not exceeding four and one-half per centum per annum, interest payable semi-annually on the first day of March and September in each

year; said bonds or notes to be of the denomination of one thousand dollars, to mature and be payable one thousand dollars each in the years 1915 to 1944 inclusive; said bonds or notes to be executed and issued under and according to the provisions of chapter 107 of the Acts of 1888, and all subsequent Acts relating thereto.

ARTICLE 31. Voted unanimously that the town treasurer be and hereby is authorized, with the approval of the selectmen, to borrow on temporary loan such sums of money as may be necessary, not exceeding thirty thousand dollars, in anticipation of issuing its water loan bonds; said debt or debts incurred under this vote to be paid from the proceeds of the issue of said water loan bonds.

ARTICLE 32. Voted that section three of the by-laws adopted at the town meeting held in January, 1910, and amended at the town meeting held in March 1910, be amended by striking out the second paragraph and inserting in the place thereof the following: "It shall be the duty of the finance committee to inform themselves concerning those affairs and interests of the town the subject matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided however, that any such information may be withheld when in the opinion of the officer or board of officers so requested, the communication thereof might injuriously effect the interests of the town or its citizens. The finance committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were elected, and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

ARTICLE 33. Motion under this article not carried.

ARTICLE 34. Voted that the selectmen shall cause the valuation list to be printed in the same manner as in 1914, and the financial and other reports of town officers and committees to be printed and distributed as soon as possible after the first day of January, 1916, and that the head of every department, board or committee authorized to expend money shall at the close of the fiscal year, furnish the town accountant, for incorporation in his annual report, a list of all outstanding liabilities of such board or committee, the same be submitted to competitive bidders.

Voted, that the town clerk cause to be printed official copies of the proceedings of this meeting, one of which he shall send to each officer of the town within two weeks after the final adjournment of this meeting, and shall deliver one copy to any voter or taxpayer in the town who may apply for it, and shall furnish copies of the record of each and every town meeting held during the year for printing, so that they may be bound with the annual report of the town officers.

ARTICLE 35. Voted that a committee of three be appointed by the moderator to act in conjunction with the selectmen in revising and amending the by-laws of the town.

This committee to advertise and hold at least one public hearing on the subject and report with their recommendations thereon at the next annual town meeting.

The moderator appointed Daniel L. Smith, William C. Payne and Anton P. Hittl.

ARTICLE 36. Voted that the sum of one hundred dollars ($100) be appropriated to make a survey for an

athletic field and to secure such expert engineering advice in connection therewith as may be necessary, the same to be expended under the direction of the selectmen.

At 11.18 p. m., voted that this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR STATE PRIMARY

SEPTEMBER 21, 1915

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Needham, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in primaries to meet in the town hall in said town on Tuesday, the twenty-first day of September, 1915, at four o'clock p.m., for the following purposes:

To bring in their votes to the primary officers for the nomination of candidates of political parties for the following offices:

Governor for this Commonwealth, Lieutenant-Governor for this Commonwealth, Secretary of the Commonwealth for this Commonwealth, Treasurer and Receiver-General for this Commonwealth, Auditor of the Commonwealth for this Commonwealth, Attorney-General for this Commonwealth, Councillor for Second Councillor District, Senator for Second Senatorial District, Representative in General Court for First Norfolk Representative District, County Commissioner for Norfolk County, County Treasurer for Norfolk County, Sheriff for Norfolk County.

And for the election of the following officers: District member of state committee for each political party for the Second Norfolk Senatorial District, members of the Democratic Town Committee, members of the Republican Town Committee, members of the Progressive Party Town Committee, delegates to state conventions of political parties.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from four to eight p.m.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not, and make return of this warrant with your doings thereon, at the time and place of said meeting.

Given under our hands this seventh day of September, A.D., 1915.

SAMUEL H. WRAGG,
JAMES M. McCRACKEN,
GEORGE W. BAKER,
Selectmen of Needham.

OFFICER'S RETURN

Norfolk, ss. Needham, September 13, 1915.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding said meeting.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and officer's return.

Attest: THOMAS SUTTON,
Town Clerk.

RECORD OF STATE PRIMARY

Under Chapter 835 of the Acts of 1913

SEPTEMBER 21, 1915

Pursuant to the foregoing warrant, a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town on Tuesday, the twenty-first day of September, in the year one thousand nine hundred and fifteen, at four o'clock in the afternoon, for the purpose of nominating state and county officers, and to elect members of the state and town committees and delegates to the state convention.

The meeting was called to order by Samuel H. Wragg, chairman of the Board of Selectmen.

The warrant and officer's return was read by the presiding officer.

The Selectmen having previously appointed George E. Mitchell, Henry Godfrey, Jr., James E. Tisdale and John J. Coppinger as ballot clerks, they were severally sworn by the town clerk.

Five hundred of the ballots received from the secretary of the Commonwealth were delivered to the ballot clerks and their receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

Additional tellers were appointed by the Selectmen and sworn by the town clerk, viz.: Wallace G. Rae, Dana L. Southworth, Daniel L. Falvey and Bernard F. Whittaker.

The ballot box was publicly opened and shown to be empty, then locked and the key given to George Twigg, the officer in attendance at the polls. The polls were opened for the reception of ballots at four minutes past four o'clock in the afternoon and in pursuance with the warrant were kept open until eight o'clock in the evening. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as four hundred and fifty-one, which agreed with the number of names checked by the ballot clerks.

Twenty-one ballots marked Democrat, five ballots marked Progressive, four hundred and nineteen marked Republican and six marked void, were duly sorted and counted separately and public announcement thereof was made by the presiding officer in open meeting, and was as follows, viz.:

DEMOCRATIC

Wallace G. Rae of 3 Cottage Avenue 286
Everard W. Pinkham of Hillcrest Road 283
Bernard F. Whittaker of 656 Highland Avenue 287

The business of the meeting being completed, all the ballots cast were sealed up and endorsed by the election officers and placed in the custody of the town clerk.

The returns of votes were signed by the town clerk and sealed up in open meeting.

At fifty-five minutes past eleven o'clock,

Voted, That this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

BALLOTS DESTROYED

Needham, Oct. 30, 1915.

The ballots cast for town officers at the annual meeting March 1, 1915, and all the ballots cast at the state primary for the nomination of state and county officers and the election of state delegates and town committees were this day destroyed according to law.

Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR STATE ELECTION

November 2, 1915

Commonwealth of Massachusetts

Norfolk, ss.

To Samuel F. Light, a Constable of the Town of Needham, in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Tuesday, the second day of November next, at five forty-five in the forenoon, then and there to give in their votes for the following State and County officers, viz.:

Governor; Lieutenant-Governor; Secretary; Treasurer; Auditor; Attorney-General; Councillor; Senator; Representative in General Court; County Commissioner; County Treasurer; Sheriff; Associate Commissioner, and to vote on the following questions, to wit:

Acceptance of Chap. 129, Resolves of 1915, entitled: "Resolves to provide for submitting to the people the article of amendment of the constitution empowering the general court to authorize the taking of land to relieve congestion of population and to provide homes for citizens."

Acceptance of Chap. 140, Resolves of 1915, entitled: "Resolves to provide for submitting to the people the article of amendment of the constitution relative to the authority of the general court to impose taxes."

Acceptance of Chap. 130, Resolves of 1915, entitled: "Resolves to provide for submitting to the people the article of amendment of the constitution striking the word 'male' from the qualifications of voters."

Acceptance of Chap. 189, General Acts of 1915, entitled: "An Act to provide for the establishment and maintenance of an independent agricultural school in the county of Norfolk."

The polls will close at 8 p.m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places, in said town, at least seven days before the time of said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, unto ourselves, on or before said day and hour.

Given under our hands at Needham aforesaid, this twentieth day of October, A. D. nineteen hundred and fifteen.

SAMUEL H. WRAGG,
[Seal] JAMES M. McCRACKEN,
GEORGE W. BAKER,
Selectmen of Needham.

OFFICER'S RETURN

Norfolk, ss. Needham, October 25, 1915.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding said meeting.

SAMUEL F. LIGHT,
Constable of Needham.

A true copy of warrant and officer's return.

THOMAS SUTTON,
Town Clerk.

RECORD OF STATE ELECTION

NOVEMBER 2, 1915

In pursuance of the foregoing warrant, the inhabitants of the town of Needham, qualified to vote in state elections, met in the town hall on Tuesday, the second day of November, in the year one thousand nine hundred and fifteen, at five forty-five o'clock in the forenoon, and were called to order by Samuel H. Wragg, chairman of the Board of Selectmen.

Voted, To omit reading the warrant.

Officer's return was read by the town clerk.

The Selectmen having appointed S. Frank Quinlan, Samuel Wilson, Luke W. Keith and Timothy J. Crowley as ballot clerks, they were severally sworn by the town clerk.

The package containing the ballots received from the Secretary of the Commonwealth, was then delivered to the presiding officer and his receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to Samuel F. Light, officer in attendance at the polls.

The polls were opened for the reception of ballots at forty-nine minutes past five in the forenoon and were kept open until eight o'clock in the afternoon.

Tellers were appointed by the Selectmen and sworn, as follows: William A. Parks, J. Percy Chambers, James Ford, James E. Tisdall, Frank I. Sewall, Theodore McIntosh, William W. Hewett and James Powers.

At the opening of the polls the ballot box register stood at 000.

At the close of the polls the ballot box register stood at 1055. As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as ten hundred and fifty-three, which agreed with the number of names checked on the list kept by the ballot clerks.

A canvass of all the votes given in was made by the election officers, as required by Section 301, Chapter 835 of the Acts of 1913, the blank forms furnished by the Secretary of the Commonwealth being used.

Upon completion of the canvass of all votes cast, the whole number being duly sorted, counted and recorded, public announcement thereof was made by the town clerk, in open meeting, and was as follows, viz.: —

For Governor

Nelson B. Clark of Beverly, twenty-eight.
Walter S. Hutchins of Greenfield, ten.
Samuel W. McCall of Winchester, seven hundred and one.
Peter O'Rourke of Medford, one.
William Shaw of Andover, fifty-nine.
David I. Walsh of Fitchburg, two hundred and forty-seven.
Blanks, seven.

For Lieutenant-Governor

Edward P. Barry of Boston, one hundred and seventy-nine.
Calvin Coolidge of Northampton, seven hundred and fifty-five.
Alfred H. Evans of Hadley, forty-eight.
James Hayes of Plymouth, four.
Chester R. Lawrence of Boston, twenty-eight.
Samuel P. Levenberg of Boston, thirteen.
Blanks, twenty-six.

For Secretary

Edwin A. Grosvenor of Amherst, one hundred and seventy-four.
Albert P. Langtry of Springfield, seven hundred and seventy-four.
Thomas J. Maher of Medford, thirteen.
Marion E. Sproule of Lowell, fourteen.
Willard O. Wylie of Beverly, thirty-nine.
Blanks, thirty-nine.

For Treasurer

Henry L. Bowles of Springfield, one hundred and seventy-three.
Charles L. Burrill of Boston, seven hundred and seventy.
Charles E. Fenner of Worcester, eighteen.
William E. Marks of Worcester, thirty-four.
Jeremiah P. McNally of Salem, six.
Blanks, fifty-two.

For Auditor

Alonzo B. Cook of Boston, seven hundred and forty-five.
James W. Holden of New Bedford, six.
Henry C. Iram of Warwick, seventeen.
Jacob C. Morse of Brookline, one hundred and seventy-seven.
William G. Rogers of Wilbraham, thirty-eight.
Blanks, seventy.

For Attorney-General

Henry C. Attwill of Lynn, seven hundred and seventy-three.
Frank Auchter of Boston, thirty-nine.
Joseph Joyce Donahue of Medford, one hundred and fifty-six.
John McCarthy of Abington, seventeen.
William Taylor of Worcester, three.
Blanks, sixty-five.

For Councillor — Second District

Richard F. Andrews of Boston, seven hundred and eighty-two.
William L. Murray of Boston, one hundred and seventy-six.
Blanks, ninety-five.

For Senator — Second Norfolk District

Orion T. Mason of Medway, eight hundred and forty-eight.
James M. McCracken, two.
Blanks, two hundred and three.

For Representative in General Court — First Norfolk District

John P. Finn of Dedham, one hundred and seventy-six.
John A. Hirsch of Dedham, seven hundred and eighty-three.
Blanks, ninety-four.

For County Commissioner — Norfolk County

Evan F. Richardson of Millis, eight hundred and twenty-four.
Blanks, two hundred and twenty-six.
Scattering, three.

For County Treasurer — Norfolk County

Henry D. Humphrey of Dedham, eight hundred and eleven.
Blanks, two hundred and forty-two.

For Sheriff — Norfolk County

Samuel H. Capen of Dedham, seven hundred and eighty-nine.
Blanks, two hundred and sixty-four.

For Associate County Commissioner — Norfolk County.
(To fill vacancy.)

Harrison R. Bullard, thirty-seven.
Scattering, sixteen.
Blanks, ten hundred.

For the following amendments:

"Shall the proposed amendment to the constitution, empowering the general court to authorize the taking of land to relieve congestion of population and to provide homes for citizens be approved and ratified?"

Yes, five hundred and forty-four.
No, two hundred and twenty-two.
Blanks, two hundred and eighty-seven.

Shall the following proposed amendment to the constitution, enabling women to vote, be approved and ratified:

Article of Amendment

"Article three of the articles of amendment to the constitution of the commonwealth is hereby amended by striking out in the first line thereof the word 'male.' "

Yes, three hundred and eighty-nine.
No, five hundred and ninety-five.
Blanks, sixty-nine.

Shall the following proposed amendment to the constitution, relative to the taxation of incomes and the granting of reasonable exemptions, be approved and ratified?

Article of Amendment

"Full power and authority are hereby given and granted to the general court to impose and levy a tax on income in the manner hereinafter provided. Such tax may be at different rates upon income derived from different classes of property, but shall be levied at a uniform rate throughout the commonwealth upon incomes derived from the same class of property. The general court may tax income not derived from property at a lower rate than income derived from property, and may grant reasonable exemptions and abatements. Any class of property the income from which is taxed under the provisions of this article may be exempted from the imposition and levying of proportional and reasonable assessments, rates and taxes as at present authorized by the constitution. This article shall not be construed to limit the power of the general court to impose and levy reasonable duties and excises."

Yes, six hundred and eighteen.
No, one hundred and sixty-three.
Blanks, two hundred and seventy-two.

For the following question:

"Shall the county of Norfolk authorize the county commissioners to issue bonds of said county to an amount not exceeding seventy-five thousand dollars for the purpose of establishing an independent agricultural school"?

Yes, five hundred and fourteen.
No, two hundred and seventy-nine.
Blanks, two hundred and sixty.

The business of the meeting being completed, all the ballots cast, the undisturbed ballots, and also the list of voters used,

were sealed up and endorsed by the election officers, and placed in the custody of the town clerk.

The returns of the votes were signed by the Selectmen, attested by the town clerk, and sealed up in open town-meeting and delivered to the town clerk.

At ten forty-five o'clock in the afternoon,

Voted, That this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

VOTE FOR REPRESENTATIVE

NORFOLK DISTRICT NUMBER ONE

Commonwealth of Massachusetts

Norfolk, ss.

Pursuant to section 322 of Chapter 835 of the Acts of 1913, the clerks of the towns of Dedham and Needham, comprising the Norfolk Representative District Number One, at their meeting in Memorial Hall in said Dedham, on Friday, the twelfth day of November A.D. 1915, made out the following schedule of the names of all persons for whom votes for representative in the General Court were cast in said district, and the number of votes for each, as follows, viz.:

John P. Finn of Dedham, ... 684
John A. Hirsch of Dedham 1921

[Signed] DON GLEASON HILL, Jr.,
Town Clerk of Dedham.

THOMAS SUTTON,
Town Clerk of Needham.

NOTICE

The attention of parents is called to the law relating to the registering of births. The present requirements are as follows:

Chap. 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child * * * * shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent * * * * who neglects so to do for ten days after the time limited therefor, * * * * shall forfeit not more than five dollars for each offence.

Attention of physicians and midwives is called to Chapter 280, Sec. 1, Acts of 1912.

Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offence.

In accordance with the provisions of the law, the town clerk is prepared to furnish to parents, physicians and midwives applying therefor, blanks for return of births as required by law.

NOTICE

Persons who intend to be joined in marriage in this Commonwealth, shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk of registrars of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

CHAPTER 151, SECTION 29, *Revised Laws of Mass.* If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage a certificate or declaration of their marriage, including the facts relative to marriage, which are required by law, and for neglect thereof shall forfeit ten dollars.

THOMAS SUTTON,
Town Clerk.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF SELECTMEN

FOR THE YEAR 1915

BROOKLINE
THE RIVERDALE PRESS: HARVARD SQUARE
1916

REPORT OF BOARD OF SELECTMEN

This is the two hundred and fourth Annual Report of the Board of Selectmen of the town of Needham. It is a brief résumé of the operations of the several departments that are responsible to this Board. The suggestions and recommendations in connection therewith are made with especial regard to the urgent need for economy, and are based upon investigated information in all instances.

Highways

The total expenditure in connection with street and highway work last year amounted to twenty-one thousand, two hundred and twelve dollars and ten cents ($21,212.10). The town appropriated sixteen thousand dollars ($16,000) toward this fund. The balance of fifty-two hundred and twelve dollars and ten cents ($5212.10) was obtained from the Excise Tax, Street Railway Tax, and Massachusetts Highway Commission. The report of Superintendent Blackman which appears elsewhere gives an itemized and detailed account of the specific uses to which this fund was put.

Construction

Nineteen thousand, four hundred and eleven dollars and seven cents ($19,411.07) was expended in the construction and maintenance of the streets, and eighteen hundred and one dollars and three cents ($1801.03) was utilized for drainage, fencing, bridge work, and street signs. Six thousand, two hundred and twenty-six dollars ($6,226) was directed to new construction work on Great Plain, Dedham and Central Avenues, and Charles River Street, and fifty-two hundred and sixty-eight dollars and eighty-two cents ($5268.82) was absorbed in resurfacing and repairing other streets as indicated.

Preservatives

The limited sum available for road preservatives was utilized to the best possible advantage, thirty-three hundred and two dollars ($3302) in all having been diverted for this purpose. It is an admitted fact, however, that judicious application of tarvia and other preservatives is really more a matter

of economy than of expense. On state roads where the state assumes charge of the upkeep, the very extensive application which they make of preservatives really appears lavish as compared with that permitted from the funds available for this purpose for use of our Highway Department.

Cleaning

For street cleaning, twenty-six hundred and eighty-three dollars and thirty-nine cents ($2683.39) was required. All of the streets were gone over in the spring and most of them in the fall. Those most centrally located were cleaned with reasonable frequency and kept in the best possible condition for the sum that could be spared for this purpose.

Appropriated by State

The state co-operated in the building of Great Plain Avenue east from the unfinished Wellesley line, and another application has already been made for additional funds to complete the work to Marked Tree Road. The Norfolk County Commissioners have likewise been petitioned to bear a portion of the expense incident to rebuilding Great Plain Avenue, beginning 500 feet north of South Street extending approximately 4,500 feet, and the commissioners may in turn petition the Highway Commission to assume a portion of the expense also in this connection. If these requisitions are given favorable consideration, after the work is completed the main lines of entrance into the town will have been placed in excellent condition.

Street Area

It has been estimated that there are more than forty-five miles of accepted streets in the town. It is important that the main arteries be maintained in good condition, the remaining streets to be restored to as good condition as is possible from the funds available. It is a fact, however, that during the past year the very severe and continued rains played havoc with many of our streets and the expenditure of a substantial sum was necessary in order to restore them to a safe condition, and as a result the funds that had been intended for other purposes were required in a direction that had not been anticipated, and therefore the postponement of certain work was inevitable, though very much regretted.

Drainage

The item of drainage received more than ordinary consideration. Twenty-four hundred and forty-eight feet of 8-inch pipe was laid and sixteen catch-basins installed. The Street Railway Companies lifewise co-operated by installing several catch-basins. A very marked improvement is already visible in the disposition of surface water. The drain on Chestnut Street, south of Great Plain Avenue, was opened, cleaned and relaid, the total expended in this division of the work being thirteen hundred and eighty-five dollars and forty-two cents ($1385.42). The need for the extensive use of drain pipes was anticipated and purchase was made in carload lots, therefore a considerable saving in price was obtained.

Gravel Bank

The matter of gravel bank has received careful consideration and the undersigned unhesitatingly recommend that the proposition which will appear in this year's warrant in this connection be given favorable consideration.

Increased Traffic

The automobile has had a tremendous influence on the street situation. It is significant that not only has the traffic increased to an amazing extent, but in addition the tonnage carried is so much larger than in former years that the wear and tear on the streets is enormous and constantly increasing. Furthermore, in spite of the very sharp increase in appropriations in other directions, the amount set aside last year for highways is identical with that of the previous year and substantially less than that of 1913, although the total assessed valuation of the town has increased more than one and one-quarter million dollars ($1,126,215) during this period. Good streets are a boon to the whole community. Since its inception, the town has invested a very formidable amount in this direction. To safeguard and protect that investment while improving community conditions is possible only by increasing the appropriation.

We recommend that the town appropriate twenty-three thousand dollars ($23,000) for the Highway Department, which includes the estimated needs for drainage, fencing and street signs. This sum together with the estimated Street

Railway and Excise tax will bring the total budget up to twenty-five thousand dollars ($25,000) for the purposes indicated in the following table.

Proposed Budget for 1916

Street construction	$12,350 00
Street repairs and resurfacing	2,500 00
Preservatives	3,800 00
Street cleaning	3,000 00
General expenses	2,200 00
Drainage	750 00
Fencing	350 00
Street signs	50 00
	$25,000 00

This recommendation is made after very careful analysis of the requirements, and in the interests of economy, as stated previously. The undersigned feel that in order to take care of conditions that are urgent, the sum indicated is necessary.

Bridges

The condition of the Pierce Charles River Bridge is such that steps will soon be necessary looking toward either rebuilding or extensively repairing the present structure. The matter has already been taken up with the Selectmen of Dover and a competent authority consulted in order to ascertain from a reliable source what action it is best to take. If it is necessary to rebuild, the County Commissioners will be petitioned to join with the two towns in the total cost. Charles River Bridge at Chestnut Street is in good condition, excepting that it needs replanking. This will be attended to at an early date. The town has already voted to build the approaches to the proposed High Rock Street Bridge although the appropriation for funds for this purpose was postponed last year. The New York New Haven and Hartford Railroad are ready to proceed when the town takes action. The completion of this work will materially increase property values throughout that whole section.

Sidewalks

It is frequently said that there is no more effective way of spending money to the advantage of the whole community

than through providing good sidewalks and streets. A much larger appropriation really should be available for this purpose. Many of the streets — some of them long established — are not provided with any sidewalk whatever, and in certain seasons of the year great annoyance and inconvenience is thereby occasioned. Under the Betterment Act, the town shares the expense with the abutter. On this basis the bulk of the two thousand dollars appropriated last year was expended, the more important locations being the entrance to the new schoolhouse on May Street, Great Plain Avenue west from Manning Street, and Highland Avenue, corner West Street. Many applications are on file at present petitioning that work be done the coming year.

The sidewalk leading to the Hunnewell Street bridge was widened through acquirement of a narrow strip of land. The abutment wall was re-inforced with concrete, thus the interests of both convenience and safety are conserved.

The Police Department

The Police Department, as heretofore, was under the jurisdiction of Chief MacKenzie, and it is deemed proper to say that the department has been administrated with marked efficiency. The Chief has been continued on duty at night at Needham, and Officer Lynes at Needham Heights. Adequate police service is available at all times, either day or night. During the day, inquiries by telephone are referred to Accountant Totman, who in turn refers the matter either to Officer Mathey or Light for attention if the circumstances warrant.

Fire Department

The arrangement entered into with Messrs. Eaton and Lawson whereby the town is assured that horses will be available both at Needham and Needham Heights at all hours of the day, is a very great improvement over the uncertain method that obtained heretofore. A certain amount has been guaranteed to the owners of the horses, and it is agreed that these teams shall always be within three-eighths of a mile of the Fire Station. These horses have been made use of by the Highway Department as far as possible in doing town work within the indicated limit. Thereby the amount to be paid under the guarantee is reduced considerably.

In the early part of the year a great many small fires occurred owing to the extremely dry weather, but fortunately no serious conflagration resulted. The Fire Department, under the direction of Chief Upham, is well organized and doing commendable work. The radius covered by the town is large, therefore adequate protection is perhaps not possible, excepting through the acquisition of motor apparatus, but until that is available, the arrangement that exists at present is the most satisfactory yet tried, and should be continued.

Forest Warden

Chief Upham administrates this office in conjunction with his Fire Department activities. During the year there were issued ten hundred and thirty-two permits to build fires. The significant item in his report is that ten fires are said to have been caused by the burning of rubbish. Some of them were in the thickly peopled territory. Not only the fire loss, but the fire waste that appears through carelessness of this kind is impressive.

Fire Alarm

The entire system has been practically remade and all permanent over head lines have been constructed with first class material throughout. The lines from the Town Hall to Great Plain Avenue and also to May Street, have been placed underground. Several new tappers have been installed in the residences of the firemen and several fire boxes have been repaired.

In spite of very severe and sustained storms, the fire alarm system was in good order throughout.

On approximately three miles of the Edison Company's poles the Edison's high voltage wires have been raised to the top and the fire alarm lines have been lowered. This guards the fire alarm system and reduces the danger of accident to the wireman.

Wire Inspector

The work of this department was again under the jurisdiction of Thornton F. Pickett, and care has, as heretofore, been exercised to see to it that all wiring, both for old and new buildings, complied with the requirements of the law. Special attention was given to rendering prompt service so

that the installation of meters by the Edison Company is not unduly delayed.

Gypsy Moth

The need for suppression of gypsy and browntail moths is increasingly apparent. According to Superintendent Riley, the gypsy moth was more in evidence the past year than ever before, the defoliation of trees in certain sections being very marked. The only effective method of remedying the condition is in spraying. Judicious use has been made of the appropriation set aside for this purpose, and while it is not at all possible to cover the entire territory, extreme care has been applied so as to spray a strip along all of the infested woodlands, especially where residential property is threatened.

The State Inspector and Superintendent Riley both recommend the purchase of an additional sprayer. The matter was taken up with the State Forester's Department and we are informed that the state will appropriate nine hundred of the fifteen hundred dollars necessary to purchase the equipment. This matter deserves favorable consideration.

Building Inspector

There were in all, one hundred and ninety-three permits issued during the past year. This represented an increase of sixty over the number issued in 1914. The total valuation of property covering such permits amounts to the formidable sum of four hundred and thirty-nine thousand, eight hundred and eighty-five dollars ($439,885).

The work of this department has been carried on with scrupulous regard to the requirements and to the distinct advantage of all concerned.

The inspection of plumbing is also under the jurisdiction of the Building Inspector, who appoints the plumbing inspectors and is authorized to issue all plumbing permits.

Town Accounting

The state system of accounting which was installed during 1914 after the accounts were audited, and the system duly installed by the stated authorities has worked out very satisfactorily. The method is comprehensive and effective and is efficiently administrated by Mr. Totman.

The accountant's office is open continuously during office hours and the accountant is in a position to furnish information of various kinds to any one who has occasion to inquire about town affairs. This is of distinct advantage to the community in addition to his work as accountant. Furthermore, arrangements have been made whereby he will receive day calls relative to the Police Department, thereby making possible more organized and effective work in community service.

Soldiers' Benefit

All disbursements made in this connection have been authorized after careful investigation, and always with particular regard to the urgency of the case. The amounts expended for state, and in part for military aid, are restored to the town by the state.

The work in conjunction with this department is efficiently handled by the selectmen's clerk under our supervision.

Schedule Insurance

The town voted to adopt the schedule form of insurance, and during the past year it became operative. An inventory of town property of all descriptions was made and on a basis of 80% on the valuation of buildings and 90% on contents, contracts in the total amount of three hundred and two thousand dollars ($302,000) are carried. On this basis the interests of the town are adequately conserved against any and all fire loss.

The failure of the town to equip its Fire Department with motor fire apparatus, however, makes necessary the payment of a high premium rate. This same condition obtains likewise in all of the fire insurance carried by the residents of the town as individuals.

Gas

A petition for the granting of a franchise was received during the year by a duly incorporated company known as the Needham Gas Company. A hearing was allowed and after due consideration a franchise granted under certain stipulated conditions, and the company has until February 1 in which to comply with the requirements, otherwise the franchise automatically ceases and determines.

Playground

At the last March meeting, the Selectmen were authorized to spend one hundred dollars ($100) in connection with the selection of a suitable playground. There is a legal requirement, however, that makes it necessary for the town to pass a formal vote of the intent to secure a playground. (Act No. 223, 1912.) Until such a vote had actually been passed, it was deemed prudent to withhold expending the appropriation, or any part of it, but the need for a playground is impressively apparent and we recommend that a committee of five be appointed with power to take some definite procedure.

Land Grant

Through the generosity of Mr. Clifford M. Locke, a small parcel of land was deeded to the town at the junction of Great Plain and Dedham Avenues. This has enabled the Street Department to make a nicely rounded corner with suitable walk and curbing, and by the removal of a very large tree this particular corner has been improved to a marked extent in appearance, and a considerable amount of danger eliminated. It is possible that ultimately the present fountain will be moved to another location, which will add greatly to the improvement.

Street Lighting

The contract for street lighting with the Edison Company was made for a period of twenty years and continues in force until 1928. At the present time the town is lighted on what is known as the moonlight schedule. It is not considered to be altogether satisfactory. The total amount absorbed for street lighting was eighty-six hundred forty-five dollars and sixteen cents ($8645.16).

There are six hundred fifty-six ordinary thirty-two candle-power street lights and several arc lights. The cost for the ordinary lights approximates twelve dollars per year each.

During the past year several new lights were installed, one being in the centre of the Town Hall lawn, near the band-stand.

By-Laws

A By-Law Committee was appointed composed of Mr. Wm. E. Payne, chairman, Daniel L. Smith, Anton P. Hittl and the Board of Selectmen. A great many meetings were held and

the town will have presented to it a very carefully drawn up proposed set of by-laws, in the preparation of which the committee has carefully endeavored to anticipate and provide against all contingencies.

The foregoing report includes those matters coming under the authority and observation of the Selectmen which are considered of sufficient importance to warrant their appearance here.

SAMUEL H. WRAGG,
JAMES M. MCCRACKEN,
GEORGE W. BAKER,
Selectmen of Needham.

January 1, 1916.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my report as Superintendent of Streets for year ending December 31, 1915. The following is a summary of the work done.

Fencing

One thousand eight hundred feet of new fence was built, and as much more should be built the coming year. In some places we have filled in, and sloped the sides, thereby doing away with a fence.

Street Cleaning

All the streets received a thorough cleaning in the spring. A large portion of the streets were cleaned in the fall, especially those that have to take care of a large amount of surface water.

Road Preservatives

This includes material to lay the dust; the same attention has been given to this work as in the past. Two kinds of material were used: 60% Asphalt Oil 8,000 gallons; tarvia B, 36,000 gallons.

Drainage

Sixteen catch-basins and 2,448 feet of pipe have been laid, most of it being 8 inches. By purchasing this grade by the carload we get the lowest price.

The street railways have co-operated and installed catch-basins, Boston & Middlesex three and Bay State one; these were very much needed and are giving good satisfaction.

The drain on Chestnut Street from entrance to Locke's lumber yard to Adams Bros'. store was taken up, cleaned and relaid. This pipe was nearly closed in some places with roots; the other portion of this drain was cleaned in 1912.

The following table will show where drains were laid and size of pipe used.

Street	Size of pipe	Feet Laid	Catch-Basins
Hillside Ave.	8 inches	576	3
Garden St.	8 "	550	3
Gt. Plain Ave.	8 "	730	4
Kimball St.	8 "	200	2
Main drain off Hillside Ave.	12 "	200	1
Parish St.	15 "	30	.....
Highland Ave.	8 "	30	.....
Warren St.	8 "	24	.....
Chestnut St.	8 "	30	1
Marked Tree Rd.	18 "	36	1
Fisher St.	8 "	30	.....
Manning St.	.....	.....	1

Bridges

With the exception of two, the bridges are in good condition. The bridge on Chestnut Street over the river needs replanking. The one on Charles River Street needs extensive repairs or a new bridge.

Street Signs

Only a few signs have been required the past year, most of them being in good condition. I would recommend that two large signs be placed at the junction of Great Plain and Highland Avenues.

Street Repairs

Under this heading I include resurfacing. On account of the heavy rains in midsummer it was necessary to resurface several streets that we didn't contemplate doing this past year.

More attention has been given to repairing than in the past, and will be required each year as traffic increases.

The following sums were spent resurfacing where most necessary, on

Forest Street and Brookside Road	$330 00
Greendale Avenue, near High Street	112 50
Herd's corner	155 50
Hillside Avenue	119 25
Reservoir Street	327 50
West Street hill	314 50

Streets that received more than ordinary repairs:

Hillside Ave. car track, street railway paying one-half	$136 75
Charles River Street near Dover line	144 80
High Rock Street near Marked Tree Road	271 00
Rosemary Hill Street	69 00
Tarvia for patching and labor	633 00

Street Construction

Charles River Street from Pierce's to the school was cleared of bushes and widened to twenty feet for a distance of 1,000 feet. A stone foundation was laid on 600 feet, and surfaced with gravel from Shaw's pit the whole distance, cost 679 90

Central Avenue beginning at Sumner Mills, extending toward Great Plain Avenue; 1,500 feet was widened to twenty feet, a stone foundation was laid on 500 feet and the whole distance was surfaced with gravel at a cost of 574 35

Dedham Avenue from Webster Street to the part built in 1913, 1,650 feet in length, 400 feet being 24 feet in width, the balance 18 feet. Stone for this work was teamed from the ledge on South Street; this work was done according to specifications furnished by the Massachusetts Highway Commission, they paying one-half the cost, which was 2,105 36

Great Plain Avenue, a continuation of the work started in 1914 at the Wellesley line. This work was done under the same conditions as Dedham Avenue; 2,250 feet was built to a width of 20 feet at a cost of 2,780 40

There remains 1,500 feet to be built, which would take it to Marked Tree Road. We would then have a good road from the Wellesley line to the Dedham line.

Sidewalks

Appropriation	$2,000 00	
Amount assessed to abutters	631 94	
		$2,631 94
Expended for construction	$1,557 96	
Expended for repairs	1,073 98	
		$2,631 94

Table of Construction

Highland Avenue west to Lee Street	$325 64	
Great Plain Avenue, near Fair Oaks Park	126 67	
Warren Street near May Street	251 83	
Great Plain Avenue. Webster to Manning Street	377 42	
May Street. Warren to Pickering Street	281 80	
Junction of Dedham Avenue and Great Plain Curb	30 60	
Surveying	26 00	
Labor on borders and seed	138 00	
		$1,557 96

The following amount of money was available for highway purposes:

Appropriation	$16,000 00
Excise tax	1,472 60
Street railways	721 95
Massachusetts highway motor vehicle fund	2,350 36
Private individuals	667 19
	$21,212 10

Expenditures in the different branches of highway work are as follows:

Street cleaning	$2,683 39	
Drainage	1,385 42	
Fencing	393 94	
Bridge repairs	11 02	
General expense	1,930 19	
Street repairs and resurfacing	5,268 82	
Road preservatives	3,302 00	
Street signs	10 65	
Street construction	1,340 91	
Street construction, State paying $2,350.36	4,885 76	
		$21,212 10

Snow

We have endeavored to cover all sections of the town with snow plows; 15 plows are being used to do this work, about 100 miles of paths being made each storm. Some of the private ways are in such condition that the best results are not obtained.

Appropriation for this work was		$1,275 00
Expenditures	$1,188 98	
Balance unexpended	86 02	
		$1,275 00

New Machinery

A jack hammer drill was the only new machinery purchased. It has given good satisfaction and will do all that is claimed for it.

I would recommend that consideration be given the advisability of replacing the steam road roller with a new one; this roller has been in use since 1901. Minor repairs have been made each year, but have reached a point where more extensive repairs should be made. Figures should be obtained to see which is advisable, having this one overhauled or turning it in toward a new one.

Respectfully submitted,

H. D. Blackman,
Superintendent.

REPORT OF POLICE DEPARTMENT

December 31, 1915.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my annual report of the doings of the Police Department for the year ending December 31, 1915.

Number of arrests	53
Number of cases	60
Number of males	52
Number of females	1
Number of residents	42
Number of non-residents	11

Causes of Arrests

Assault	1
Assault and battery	18
Automobile laws, violating	1
Attempt to burn building	1
Bastardy	1
Breaking and entering	3
Cruelty to animals	3
Disturbing the peace	8
Drunkenness	13
Hunting on State Reservation	2
Non-support	2
Operating automobile under influence of liquor	1
Setting fires without permit	1
Shooting on posted land	1
Unlawful interference with electric light wires	1
Vagrancy	3

Disposition of Cases

Appealed	2
Filed	9
Fined	30
Held for Grand Jury	4
Probation	4

Sent to jail	3
Sentence suspended	3
Discharged	5
Settled out of court	1
Amount of court fines	$213
Amount of jail fines	$40
Amount of stolen property recovered	$500
Amount of liquor seized, gals.	160

There have been several automobile accidents in which persons have been injured and property damaged. None, however, have had fatal results, nor could any of them be said to have been due to overspeeding or reckless driving.

While the number of arrests have not been as many as in previous years, considerable work has been handled which did not require court procedure, and I am still of the opinion that an officer should be on duty during the daytime, and that the appropriation for the department this year should provide for this extra expense.

Especial credit should be given the special officers who, when called from their regular employment (sometimes at a detriment to their business), are always ready to do any work requested of them, and I wish to thank them for their willing assistance.

I wish also to thank your Honorable Board for your hearty co-operation and willingness to assist the department at all times.

Respectfully submitted,

NORMAN MACKENZIE,
Chief of Police.

REPORT OF FIRE DEPARTMENT

December 31, 1915.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the thirtieth annual report of the Needham Fire Department in detail, together with recommendations for the further improvement and efficiency of the same.

The record of the year shows sixty-nine calls, twenty-six by the fire alarm system, the balance by the telephone or verbal. These do not include three second alarms and one general alarm, the latter for drill.

Analysis of Causes

Defective chimney	10
Cigarettes	2
Sparks from locomotive	3
Carelessness	6
Burning rubbish	10
Auto back-fire	1
Incendiary	16
Hot ashes	1
Defective electric wiring	1
Spontaneous combustion	1
Overheated stack	1
False	2
Unknown	15
	69

Amount of hose laid for fire service	10,000 feet
Number of feet of ladders used	422 "
Number of gallons of chemicals used	587 gals.

Relation of values, insurance and loss in buildings where fires occured during the year:

Value of buildings	$30,310 00
Insurance on same	28,300 00
Loss on buildings	8,040 00
Insurance paid on buildings	7,125 00
Value of contents	26,050 00
Insurance on same	15,200 00
Loss on contents	12,900 00
Insurance paid on same	3,833 00

Value of auto truck	$3,000 00
Insurance on same	3,400 00
Loss on same	2,000 00
Insurance paid on same	2,000 00

The Department is credited by cash paid to the Town Treasurer for expense to individuals for extinguishing fires amounting to $94, making a total expense met by appropriation of $4,631.68. Deducting $18.80 which the Town Accountant has paid from appropriation for deficiencies and adding $8.75, additional telephone bills paid, makes the total of $4,715.63, which he shows drawn from the Fire Department appropriation.

An arrangement has been made with Eaton's stable and James Lawson, on whom the town is dependent at Station No. 1 and Station No. 2 for its supply of horses, whereby one pair of horses shall always remain within a distance of a quarter of a mile from said stations at the disposal of the department and to answer an alarm. This arrangement was dependent on the guarantee of a certain amount of work to be had within these radii. The use of these horses by the Highway Department is the only opportunity the town has to work out this guarantee. It is obvious therefore that at the termination of the agreement, the equivalent for whatever amount of work supplied is less than the amount guaranteed will have to be paid from the Fire Department appropriation, for which the town will have received no direct benefit other than the protection afforded by such an arrangement.

Apparently the sentiment favorable to the installation of motor apparatus in the town is increasing. I have yearly recommended this matter for serious consideration. Most of the towns around us have installed one or more pieces and are therefore officially and generally recognized as more efficiently equipped. The experimental stage in this kind of machine has passed and when more efficiency in the Department is seriously demanded, the initial step in this direction will have to be taken.

The report relative to the further installation of fire alarm boxes I will leave to the Superintendent of Fire Alarm.

I do desire however, to recommend and to impress upon the minds of the citizens the urgent need of a compressed air whistle connected with the fire alarm system. Dependent as the town is and will be for some time to come upon call men,

Recapitulation of the Monthly Disbursements of the Department for the Year 1915

MONTH	Hose	Horse Hire	Rent of Quarters	R. & M. of Stations	R. & M. of Apparatus	Printing of Stationery	Salaries of Engineers	Salaries of Men	Paid Service	Paid Drill	Auto Hire	Total Monthly Expense

an audible alarm of fire must be given. Very frequently this is impossible with one or more bells. For more efficiency an alarm that can be heard at all points of the town is necessary; and there is no device which is so positive in this particular as the compressed air whistle.

Chief of Fire Department.

REPORT OF FOREST WARDEN

December 31, 1915.

To the Honorable Board of Selectmen:

Gentlemen: — I beg leave to submit my seventh annual report as Forest Warden.

I have issued during the past year ten hundred and thirty-two permits to build fires. I regret to state that in some instances the license thus granted to build a fire has been misused, and an expense to the town incurred thereby.

It is not compulsory on the part of the Forest Warden to issue a permit to any one, and if in his judgment property would be endangered by so doing it is his duty to refuse. Yet there are those who think they should have unlimited license whether it be to the jeopardy of the property of their neighbors or not. To such I would call the attention to the report of the Chief of the Fire Department, which shows ten fires caused by burning rubbish at an expense to the town of approximately $200.00, to which to obtain a proper estimate of the total cost should be added the property damage.

People in general do not realize that the state is spending thousands of dollars yearly to curb and control the desire to burn among adults as well as children.

I have complied with the requirements of the statutes relative to the publishing of notices in the Needham *Chronicle* and the posting of notices.

Extracts from Massachusetts Forest Laws

1. *Setting fire to growing wood or timber of another.* Punishment by a fine of not more than $100.00 or by imprisonment for not more than six months. R. L. 208, Section 7.

2. *Letting fire escape.* Negligently allowing fire to escape from your own land to adjoining land. Punishable by a fine of not more than $250.00, also liable for damages. R. L. 208, Section 8–9.

3. *Forest Wardens not liable to arrest for trespass.* Wardens, Deputies and Assistants, not liable for trespass while

acting in the reasonable performance of their duties. Acts 1907, 475, Section 6.

4. *Permit to light fire in the open.* In any city or in towns so voting a permit from the Forest Warden must be obtained to start a fire between March 1 and December 1. The only exception being that débris from fields, gardens or orchards, or leaves and brush from yards may be burned on ploughed fields by the owners thereof, their agents or lessees, but in every case such fire shall be at least two hundred feet distant from any forest or sprout lands, and at least fifty feet distant from any building, and provided further that persons above eighteen years of age may maintain a fire for a reasonable purpose upon sandy or barren land, if the fire is enclosed within rocks, metal or other non-inflammable material, but in every case such fire shall be properly attended until extinguished. Violation of this provision — punishable by a fine of not more than $100.00 or imprisonment for not more than one month or by both such fine and imprisonment. Acts 1908, 209, Section 1, as amended by Chapter 244, Acts 1911.

5. *Arrest without warrant.* The Forest Warden or any of his deputies may arrest any persons setting or maintaining a fire in violation of the provisions of this Act. Acts 1908, 209, Section 4, as amended by Chapter 244, Acts 1911.

6. *Penalty for refusing aid.* Any person between the ages of 18 and 50 years who refuses, without good cause, to assist the Forest Warden or his Deputies in the fighting of forest fires is liable to a fine of not less than $5.00 nor more than $100.00. R. L. 32, Section 21; 1907, 475, Section 3.

7. *Disturbing notices.* Whoever wilfully tears down or destroys any notice posted under the provisions of this Act shall be punished by a fine of $10.00. Acts 1907, 475, Section7.

Law Relating to Brush or Slash

The law relating to disposal of slash or brush following wood or lumber operations is as follows:

1914, 101, Section 1. Every owner, tenant or occupant of land, and every owner of stumpage, who cuts or permits the cutting of wood or timber on woodlands owned or occupied by him or on which he has acquired stumpage by pur-

chase or otherwise, and which borders upon the woodland of another or upon a highway or railroad location, shall clear the land of slash and brushwood then and there resulting from such cutting for such distance, not exceeding forty feet, from the woodland of such other person, highway or railroad location as the local forest warden shall determine, and within such time and in such manner as he shall determine.

1914, 101, Sect. 2. Any person who cuts or causes to be cut trees or brushes or undergrowth within the limits of any highway or public road shall dispose of the slash and brushwood then and there resulting from such cutting within such time and in such manner as the forest warden of the city or town wherein such cutting is done shall determine.

1914, 101, Sect. 3. Whoever neglects to comply with the directions of the forest warden with regard to the disposal of slash and brush, as provided in Sections one and two of this act may be punished by a fine of not less than $5.00 nor more than $50.00.

1914, 101, Sect. 4. This act shall take effect on the first day of January in the year nineteen hundred and fifteen.

Respectfully submitted,

H. Howard Upham,
Forest Warden.

REPORT OF SUPERINTENDENT OF FIRE ALARM

December 31, 1915.

To the Honorable Board of Selectmen:

Gentlemen: — The Superintendent of Fire Alarm respectfully presents herewith the annual report of that department for the foregoing year.

During the past year we have followed out the plan for general reconstruction of the outside lines began in April, 1914. All new permanent overhead lines have been constructed with 30% copper-clad steel wire, supported on the best quality of cross-arms, pins and insulators; all straightway joints made with seamless tubular copper sleeves and all tap joints properly soldered.

The reconstruction work during the past year may be summarized as follows:

Chestnut Street from near Oak Street to South Street, double line rebuilt — new wire.

Great Plain Avenue from Central Avenue to near Wellesley line, double line rebuilt — new wire.

Webster Street from Great Plain Avenue to Mark Lee Road, double line rebuilt — new wire.

High and West Streets from Highland Avenue to Greendale Avenue, double line rebuilt — new wire.

West Street from Hillside Avenue to Ropers Mill (Box 47), double line rebuilt — new wire.

Hillside Avenue from Rosemary Street to West Street, single line rebuilt — new wire.

Hunnewell Street from Hillside Avenue to Central Avenue, double line rebuilt — new cross-arms.

Central Avenue from Hunnewell Street to Box 54, line pulled up and repaired.

Great Plain Avenue from Marked Tree Road to Central Avenue, new cross-arms and line pulled up.

Highland Avenue from May Street to Hunnewell Street, single line rebuilt and lowered under Edison wires.

Harris Avenue line relocated on new poles.

The lines formerly running on poles from the Town Hall to Great Plain Avenue and from the Town Hall to May Street, comprising portions of all the Fire Alarm circuits, have been removed, and to replace those lines, new lead-covered, copper conductor cables have been installed in the N. E. T. & T. Co's duct reserved for that purpose.

New lines have been run and tappers installed in the residences of James Lawson, Rosemary Hill Street, Percy Chambers, Pine Grove Street, Winthrop Southworth, Powers Street, and Herbert Slaney, Dale Street.

New fire alarm boxes have been installed at the corner of Highland Avenue and Rosemary Street and at the corner of Grant and Kimball Streets.

Fire alarm boxes numbered 25–47–59 and 91 have been repaired and modernized and replaced in their respective locations. Box No. 37 was moved from Hose House No. 2 to a pole location at the corner of Highland Avenue and West Street. This box was replaced by a Gardiner box and the old box repaired and modernized, and is in service at corner of Grant and Kimball Streets, as No. 213. New services have been run to boxes No. 18–19–37–38–39–47–49–63–68–71–91–245.

The new storage batteries installed this year, of the Gould 3-plate type, now give us 48 to 60 hours' service on each side, as compared with 24 to 30 hours given by the former batteries used. This gives a much greater reserve fund of battery current in case of interruption of the charging circuit.

During the year there have been seventeen (17) tappers and tower striker coils and one (1) fire alarm box burned out by lightning and contact with the Edison Company's primary and street lighting lines. These were all repaired and replaced promptly, and the Edison Company have agreed to pay part of this cost of repairs necessitated by burnouts through contact with their lines.

Recommendations for New Apparatus, Reconstruction, Repairs and Improvements for 1916

Overhead lines recommended to replace:

No. 3 Circuit (Charles River). Double line on South Street from Chestnut Street to Charles River Street and on Charles River Street from South Street to Grove Street at Box 71.

No. 4 Circuit (Great Plain Avenue west and Central Avenue). Single line on May and Nehoiden Streets, from railway crossing on May Street to corner of Nehoiden and Rosemary Streets.

No. 5 Circuit (Upper Falls). Double line on Highland Avenue from corner of Hunnewell Street to Box 35 at Upper Falls. Double line on Hunnewell Street from corner of Highland Avenue to Central Avenue; Hillside Avenue from West to Hunnewell Streets, single line.

Total new lines recommended, approximately 51,200 feet.

New fire alarm boxes are recommended to be placed as follows:

One (1) at corner of Cedar Place and Chestnut Street.

One (1) at corner of Brookline and Manning Streets.

One (1) on Hillside Avenue, opposite Dailey's Box Factory.

Box No. 245 should be moved from Needham Junction Station to corner of High Rock and Chestnut Streets.

Box No. 82 should be discarded and replaced by one of a more modern type.

In order to carry out the recommendations of the New England Insurance Exchange, I would recommend the purchase of four (4) Gardiner Succession Non-interfering Boxes, to be placed at Chestnut Street and Cedar Place; May Street and Highland Avenue (Box 19); Hillside Avenue and Hunnewell Street (Box 57); and Hillside Avenue, opposite Dailey's factory.

The old Boxes No. 19 and 57 to be repaired, modernized and numbers changed and placed, one at the corner of Brookline and Manning Streets, and the other at corner of South and Charles River Streets, in place of Box No. 82, which should be discarded as obsolete.

One Punch Register is recommended for Fire Station No. 1 and one (1) Visual Indicator for Station No. 2.

In view of the probability of a new central Fire Station being erected for the Town, in the near future, no change, except minor repairs, is recommended this year, for the present Fire Alarm Room.

Some agitation has been made for the purchase of a Fire Alarm Whistle Outfit.

In view of the high initial expenditure and maintenance

cost for this type of apparatus, which would be approximately $2,000 to $2,500 initial cost, and $200 to $300 annually for maintenance, it does not seem that the results obtainable from this type of alarm would warrant incurring this expense.

That there is an unexpended balance of approximately $200 in this department, is due largely to the co-operation of the Edison Company's construction and repair crews in the relocation of fire alarm wires on the Edison Company's poles.

Estimated Cost of Improvements, Repairs and Maintenance for year 1916

Replacing overhead lines, approximately 10 miles	$1,500 00
Four new Fire Alarm Boxes and moving Box No. 245	330 00
One-half set of Storage Batteries (105)	80 00
One Punch Register for Station No. 1	125 00
One Visual Indicator for Station No. 2	125 00
Two new Tappers — 6 inches	40 00
Supplies	100 00
Repairs to Apparatus	150 00
Repairs to Wiring and Switchboard in Fire Alarm Room	50 00
Repairs to overhead lines, (labor only)	200 00
Moving and installing new tappers	100 00
Contingencies	100 00
Salary of Superintendent	600 00
	$3,500 00

Respectfully submitted,

T. F. Pickett,

Superintendent of Fire Alarm.

REPORT OF WIRE INSPECTOR

December 31, 1915.

The Honorable Board of Selectmen:

Gentlemen: — I have the honor to present herewith the annual report of the Inspector of Wires.

The past year has seen a continued growth of the use of electric current for lighting, power and other domestic uses in the town. Practically every new house erected in the town during the year has been wired for electric lights and a considerable number have been wired for electric ranges and other heating appliances.

The recent reduction in price for current consumed in heating appliances has induced quite a number of householders to use the electric range for cooking.

The character of the work done during the past year has steadily improved and every effort has been made to see that all interior wiring and fixture installations conform to the rules and regulations of the National Board of Fire Underwriters. This makes for the safety, not only for the individual owner, but for the community in general.

Details of the wiring and apparatus inspected and number of inspections made are shown in the tabulated record accompanying this report.

The Edison Company's Meter Department have made special efforts to co-operate with the present inspector in setting new meters and are giving the town a very prompt service in this regard. This is an important matter, particularly in the case of new houses which are usually without lights until the meters are installed.

All of the companies owning poles and wires on the streets of the town have made improvements and repairs to their lines during the year.

The New England Telephone and Telegraph Company have removed all their cables from the poles on Highland Avenue between Great Plain Avenue and Hunnewell Street and placed the cables in the new underground duct constructed in 1914.

The Edison Company have reconstructed a large portion of their lines in the town during the past year. They have taken pains to do good work and to avoid excessive trimming of trees.

On approximately three miles of the Edison Company's poles the fire alarm lines have been removed from the tops of the poles to a lower position, and the primaries or high voltage wires raised to the top of the poles. This not only helps to safeguard the fire alarm system but also avoids the necessity of having the linemen climb through the high voltage wires in order to work on the fire alarm lines.

Respectfully submitted,

T. F. Pickett,
Inspector of Wires.

Classified List of Premises Inspected and Permits Issued in 1915

	Premises Inspected	Number of Inspections	Permits Issued	Capacity of Wiring in 50W. Lamps	Switches	Motors	Ranges and Heating Appliances	Other Apparatus

T. F. PICKETT,
Inspector of Wires.

REPORT OF SUPERINTENDENT FOR SUPPRESSION OF GYPSY AND BROWNTAIL MOTHS

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Moth Department for the year ending December 31, 1915.

While the browntail moth has caused practically no damage during the season, the gypsy moth has been worse than ever before.

There has been much defoliation of trees in the woodland colonies and in certain localities the infestation has become so heavy that it has been difficult to keep the adjoining residential sections in even passable condition.

The young caterpillars of the gypsy moth are sometimes blown for long distances and it is impossible to prevent their distribution over wide areas during heavy winds.

It is possible, however, to so reduce their numbers by spraying and other methods that they can do but little damage.

While it is impracticable to spray all woodland colonies owing to the inaccessibility of some and the great expense involved, we might, with sufficient apparatus, greatly improve the existing condition. We should be able at least to spray a strip along the edge of infested woodlands, where residential property is threatened, especially if the owners of such property are making efforts to keep down the pest.

Spraying is the only practical method of handling the gypsy moth in the woods and is not entirely effective unless done while the caterpillars are small. With only one sprayer we are unable to do much of this work early enough to get the best results. Consequently I earnestly recommend the purchase of another power sprayer for use next season.

Of the adjoining towns and cities many are in a similar condition to Needham, perhaps the only exception being Newton, where conditions are much better than here.

This is probably owing to the fact that during the past season they have expended thirty-three thousand dollars and

had at their disposal six large power sprayers, three small ones and several hand sprayers.

The large green beetle known as the Calasoma has done very good work and several of the parasites seem to be gradually establishing themselves.

Respectfully submitted,

E. E. Riley,
Local Superintendent.

REPORT OF TREE WARDEN

Owing to the great decrease in the numbers of the elm leaf beetle this season it was unnecessary to spray the elms for this pest.

This left more of the appropriation to be used for trimming and considerable of this work was done. Only nine small trees were planted during the spring. There should be many times this number planted each year, but our appropriation is too small to plant many young trees and to provide for the absolutely necessary care of those already established. Owing to various causes trees are dying each season and we should at least attempt to replace those which die. Among the causes of loss are the cutting of roots during sidewalk construction, drought, and the unavoidable removal of trees in unsuitable locations.

The burning caused by electric wires and the trimming necessary to avoid burning result in more or less mutilation, which is unfortunate but usually unavoidable. Much of this might have been prevented by a more judicious location of poles, in some instances, when the lines were originally constructed.

Employees of the Edison Company have been at work in Needham during the fall reconstructing some of the lines.

These men are under an efficient foreman who has used every effort to run the wires in such a way that damage may be avoided.

The trees must always be exposed to damage of this kind even with the most careful construction, unless the wires are placed under ground.

E. E. Riley,
Tree Warden.

REPORT OF BUILDING INSPECTOR

January 11, 1916.

To the Selectmen of the Town of Needham:

Gentlemen: — I respectfully submit herewith the third annual report of the Building Inspection Department for the year ending December 31, 1915.

The present incumbent assumed the duties of this department April 1, 1915, succeeding Carl W. Richards who had resigned.

The total number of permits issued was 193, or 60 more than in 1914.

The following is a classification of permits issued. (See schedule No. 1.)

Estimated cost of structures erected. (See schedule No. 2.)

With reference to the plumbing department I would recommend that the installation of pressure boilers be prohibited unless protected by a safety valve.

I wish to say that the craft have co-operated with the Building Inspector in all details.

The number of plumbing permits issued during 1915 was 125.

Yours respectfully submitted,

FREDERICK D. SUTTON,
Building Inspector.

REPORT OF PARK DEPARTMENT

To the Citizens of the Town of Needham:

This department has maintained and improved the small parks and triangles at intersecting streets as usual.

The department has received favorable comment regarding Noyes Park, and we now see the advantage gained by the town in buying this land from the Glover estate.

We have maintained and improved the small mound at the railroad depot, the right of maintenance having been given by the New York, New Haven & Hartford Railroad. This plot was previously maintained by subscription.

It is the intention of the department to construct into a park the plot of ground at the intersection of Central Avenue and Nehoiden Street.

The bathhouse has been as popular as previous years, having an average of twenty-five bathers daily. Many young children, girls and boys, have learned to swim, through the efforts of the attendant.

We recommend that the Park Department be given control of the school land, for maintenance of play apparatus, until such time as it shall be needed for school purposes.

T. J. Crossman,
Wm. Lee,
C. W. Pease.
Park Commissioners.

REPORT OF COMMITTEE ON BY-LAWS

To the Annual Town Meeting of Needham, March, 1916:

Your committee submit the following proposed By-Laws and recommend their adoption. After publication in the Needham *Chronicle* on December 11, 1915, of a notice of hearing and a copy of the By-Laws, your committee gave a public hearing in the Town Hall on December 15, 1915.

Respectfully submitted,
For the Committee,
WILLIAM C. PAYNE,
Chairman.

BY-LAWS OF THE TOWN OF NEEDHAM

ARTICLE I

Town Meetings

Section 1. The annual town meeting shall be held on the first Monday in March, but no business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered before 7:30 in the afternoon of the next Monday thereafter.

Sect. 2. All town meetings shall be notified and warned by posting attested copies of the warrant calling the same in not less than twenty public places in the town at least seven days before the time of holding the meeting.

Sect. 3. In addition to the legal notification required by the foregoing section, the selectmen shall cause to be left at each dwelling house in the town a copy of the warrant for every town meeting four days at least before the time named in the warrant for holding said meeting. But the leaving of a copy as aforesaid shall constitute no part of the service of said warrant.

Article II

Town Finance and Administration

Section 1. There shall be a finance committee consisting of nine registered voters, none of whom shall be town officers, agents or employees, three members of which shall be elected at each annual town meeting by ballot in the manner prescribed for the election of town officers, to serve for a term of three years. Said committee shall choose its own chairman and secretary. Vacancies on said committee may be filled at any time by the moderator.

To this committee shall be referred all articles calling for appropriations exceeding the sum of one hundred dollars. The committee shall consider all matters proposed to be acted on at all town meetings except such matters as may be referred to other committees. It shall be the duty of the selectmen after drawing the town warrant to transmit immediately a copy of the same to each member of the finance committee. The officers of the town shall upon their request furnish the committee with facts, figures and any other information, provided, however, that any such information may be withheld when in the opinion of such officer or board of officers so requested, the communication thereof might injuriously affect the interests of the town, or its citizens. The committee shall report in print or otherwise to all town meetings. The report to the annual town meeting shall be in print and shall be distributed with the town warrant.

Sect. 2. The selectmen shall have authority in their discretion to institute and prosecute proceedings under the provisions of Chapter 237 of the General Acts of 1915 for the foreclosure of the right to redeem lands purchased, taken or held by the town for the non-payment of taxes.

Sect. 3. The town treasurer shall have the custody, management and sale of all lands held by the town under a tax collector's deed or a taking of land for taxes after the title of the town has become absolute by the foreclosure of the right of redemption according to law. And he is authorized and empowered with the approval of the selectmen in the name and on behalf of the town to sell and convey such lands after publicly advertising such sale and to execute, acknowledge and deliver proper deeds for that purpose.

Sect. 4. The selectmen shall act as town agents, and have authority as agents and officers of the town to appoint and employ a town counsel, who shall act as attorney and counsel for the town and the various officers and boards thereof, and to fix his compensation, to institute and prosecute suits in the name of the town, to defend suits brought against the town, and to compromise and settle suits and claims, unless otherwise ordered by special vote of the town.

Sect. 5. No elected town officer shall hold a salaried position under the board of which he is a member. Nor shall any contract for materials or property of any kind to an amount exceeding one hundred dollars in any one year, be made in behalf of the town by any such board with any of its members. Provided, however, that such contract may be made with any person who is the lowest bidder in an open competition wherein written bids are called for.

Sect. 6. The registrars of voters shall hold a session from three o'clock until five o'clock in the afternoon of the last day fixed by law for filing nomination papers.

Sect. 7. The selectmen may assign numbers to the buildings on any street in their discretion and order the same to be placed on such building. The owner of such building shall comply with the order within ten days after receiving written notice thereof or forfeit a sum not exceeding five dollars.

Sect. 8. It shall be the duty of all officers and boards of the town, at or before the time when they decide upon action which will involve opening any street or way, and as long before such opening as is practicable, to notify the board of selectmen in writing of such contemplated action. And it shall be the duty of the selectmen when they decide to rebuild or extensively repair any street or way and as long before such rebuilding or repair as is practicable, to give notice in writing of such proposed action to the board of water commissioners, and to such other officers of the town, if any, as may be likely to have occasion to open such ways or streets.

Sect. 9. The selectmen shall appoint an inspector of wires under and in accordance with the provisions of Section 18 of Chapter 122 of the Revised Laws, who shall hold office for one year from the date of his appointment and until his successor is appointed and qualifies.

Sect. 10. Upon the application to the inspector of wires for the supervision or inspection of electrical equipment in a factory building, public building or tenement house there shall be paid to him for the use of the town a fee of one dollar; and for the supervision or inspection of electrical equipment in any other building, a fee of fifty cents.

Sect. 11. All permits issued under these By-Laws for which a fee is required shall be issued on numbered blank forms furnished by the Town Accountant to the officer who issues the permit.

Article III

Of the Acceptance of New Streets through Private Property

Section 1. No street or way shall be accepted by the town of a width of less than forty feet unless the same shall have been actually opened and used for public travel prior to January 1, 1915.

Sect. 2. No street or way constructed through lands by the owners thereof shall be laid out or accepted or recommended by the selectmen for acceptance as a public street or way unless previously constructed and completed in accordance with the specifications set forth in Section 6 of this article and marked with permanent stone bounds.

Sect. 3. Any street or way constructed through private lands by the owners thereof in accordance with the specifications set forth in said Section 6 may be laid out and accepted as a public and town way, provided such action is taken in accordance with the provisions of Chapter 50 of the Revised Laws, and amendments thereof; and provided also that the owners of at least 75 per cent in frontage of the lands through which such street or way passes have signed releases of all property which the town deems it necessary to acquire for such layout and acceptance, and have granted sloping privileges and agreed to pay betterments assessable.

Sect. 4. Whenever it is necessary in the opinion of the board of selectmen to construct catch-basins on any such street or way and to lay drains to connect with a permanent outlet, such catch-basins and drains may be constructed and laid, and the cost of such work shall be considered as a part of the total cost of construction of said street or way.

Sect. 5. Side gutters on any such street or way having a grade of 5 per cent or over may, if in the opinion of the selectmen it be necessary, be paved four feet wide with stone, concrete or other suitable material and the cost shall be considered as a part of the total cost of constructing said way or street.

Sect. 6. Specifications for new streets and ways through private property:

A. A plan and profile of every such street or way shall be filed in the office of the selectmen, who shall approve or establish the grade thereof.

B. Every street or way shall be at least forty feet in width and have a roadbed not less than twenty feet in width.

C. All loam shall be removed from the roadbed to a depth of twelve inches below finished grade and from the sidewalk to a depth of six inches, or such greater depth as may be required by the board of selectmen. All rock or boulders shall be removed or used in embankment.

D. The entire area of every such street or way shall be first cleared of all stumps, brush, roots and like material and of all trees not intended for preservation.

E. All work in excavation or embankment shall be brought accurately to a subgrade of not less than eight inches for the roadway and four inches for the sidewalk, below finished grade, or such greater depth as the nature of the subsoil, in the opinion of the board of selectmen may require.

F. All corners of intersecting streets or ways shall be rounded as approved by the Board of Selectmen.

Sect. 7. All streets to be accepted by the town must be petitioned for not later than November 1st, previous to the annual March meeting.

Article IV

Police Regulations

Section 1. No person shall open, break, or dig up any part of any street or public or town way, or remove any earth or gravel therefrom without first having obtained a license from the selectmen upon such terms and conditions as the selectmen may in their discretion impose. And no person having obtained such permit shall fail to comply with the terms thereof. And in addition to any penalty to which he may be subject under these By-Laws for a violation of this section he shall

reimburse the town for all expenses and damages which it may incur by reason of such violation or unauthorized act. The provisions of this section shall apply to all officers and agents of the town, except in cases of public necessity, and to all other persons.

Sect. 2. No person shall erect, place or extend over any public street, way, or place any flag or banner or any pole, rope, cable or other structure or thing, without first obtaining a license from the selectmen, who may impose such conditions as they think proper. This section shall not be construed as authorizing the placing of any permanent structure over any street, way or other public place.

Sect. 3. No person shall place any obstruction in a street or sidewalk and allow it to remain there, nor obstruct any street by placing therein any house or other building, without the license of the selectmen in writing specifying the terms and conditions upon which such obstruction of the street shall be allowed; and the licensee shall fully comply with all said terms and conditions.

Sect. 4. No person shall tie or fasten any horse or other animal to any tree not his own, standing in any highway, street or public place, or in any manner cut or mutilate such tree. No person shall maliciously or negligently injure or allow any animal or vehicle under his care to injure the grass border or other ornamental border upon the public streets, plots or parks of the town.

Sect. 5. No owner or person having the care of any sheep, swine, horses, oxen, cows or other grazing animals shall permit or suffer them to go at large or to graze on any street, lane, common square or other public place within this town, nor permit any such animal to go or stand upon any sidewalk therein.

Sect. 6. No person shall place or cause to be placed upon any public way or sidewalk, any lumber, wood, bale, box, crate, barrel, can, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified to remove the same by a constable, police officer or selectman.

Sect. 7. No person shall throw or deposit upon any public way or place, any bottle, glass, metal or any article or sub-

stance which may cause injury to the hoofs of animals or the wheels or tires of bicycles, automobiles or other vehicles.

Sect. 8. No person shall convey through any public way any sewage, night soil, house offal, swill, garbage or dead or decaying or otherwise offensive vegetable or animal matter unless it be in a closed and covered vehicle and under a permit from the board of health issued upon such terms and conditions as said board may deem the health and interest of the town require.

Sect. 9. No person shall place or cause to be placed in any public street or way the contents of any sink, cesspool or privy nor place or cause to be placed any rubbish, garbage or dead or decaying animal or vegetable matter or waste material of any kind therein, except for the purpose of immediate removal therefrom.

Sect. 10. No person, unless required by law to do so, shall make any marks, letters or figures of any kind, or place any sign, advertisement or placard upon or against any wall, fence, post, ledge, stone or tree, building or structure in or upon any street or way in this town without the permission of the owner thereof.

Sect. 11. No person shall coast in any street or public way except such as are publicly designated for that purpose by the selectmen.

Sect. 12. No person shall maintain a public dump nor permit others to dump ashes, paper, rubbish or refuse or waste material of any kind on land owned or controlled by him which abuts on a public way, without a license from the board of health. Said license may be granted upon such terms and conditions as said board may in its discretion impose, may be revoked at the pleasure of said board and shall expire on the thirtieth day of April next after the date of its issue.

Sect. 13. No person shall dump ashes, paper, rubbish or refuse or waste material of any kind on land not his own, which abuts on a public way, except on public dumps licensed by the board of health.

Sect. 14. Every contractor and employer of labor shall provide sufficient sanitary conveniences for his employees at or near any place of employment, upon or near a public way, whether such place is a permanent or a temporary place of

employment and maintain the same in such manner as to prevent nuisances and offensive conditions.

Sect. 15. No person shall own or keep any dog which by barking, biting, howling or in any other manner disturbs the quiet of any neighborhood or endangers the safety of any person. Whoever violates the provisions of this section shall be punished by a fine not exceeding ten dollars for each offence.

Sect. 16. No person or persons shall play or perform on a musical instrument, sing, parade, hold a public meeting, make a public address, march or congregate in any public way or public place, except in connection with a funeral, without a written permit from the Board of Selectmen.

Sect. 17. No person shall deposit advertising circulars or other printed matter on the streets, nor team manure, rubbish, liquid or other material in such manner, or deposit the same in such place as to litter, pollute or injure the streets.

Sect. 18. No person shall ride, drive, draw or push any bicycle, motorcycle, automobile, cart, wagon, sled or other vehicle (except invalids' or children's hand carriages) over or upon any public footpath or sidewalk.

Sect. 19. No person shall stand or remain on any sidewalk or in any public place in such manner as to obstruct a free passage for foot passengers after a request to move on by a constable, police officer or selectman.

Sect. 20. No person shall behave in an indecent or disorderly manner, or use profane, indecent or insulting language upon or near any public way, sidewalk or other public place.

Sect. 21. No person, not being the owner or occupant, shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested to remove therefrom by the owner or by a constable or police officer.

Sect. 22. No person shall discharge firearms, firecrackers, torpedoes or other explosive articles in any public way or place, near any person or vehicle passing or being thereon or near any dwelling house, except with the consent of the owner or occupant of such dwelling house, or in the performance of some legal duty or with the permission of the board of select-

men, or in the lawful defense of the person or property of any citizen.

Sect. 23. No person shall collect, deal in, or keep a shop for the purchase, sale or barter of junk, old metals or second-hand articles within the limits of the town, unless licensed by the board of selectmen. In issuing licenses the Board of Selectmen may impose any reasonable conditions and restrictions.

Sect. 24. Whoever, being the owner, tenant, occupant or agent in charge of an estate abutting upon a sidewalk upon Great Plain Avenue between Garden Street and Dedham Avenue, Chestnut Street between Great Plain Avenue and School Street, Chapel Street between Great Plain Avenue and Highland Avenue, or Highland Avenue between Mellen Street and Hunnewell Street, said estate being used wholly or in part for stores, public offices or places of public resort, shall place any snow or ice on a sidewalk on which such store, office or place of public resort abuts, or suffers it to remain thereon for more than five hours between sunrise and sunset, shall forfeit not more than ten dollars for each offence. If snow or ice, through weather conditions, is evenly spread over a sidewalk and frozen thereto so as to be difficult of removal, it may remain until it can be more easily removed, if the sidewalk be kept in safe condition by sanding or otherwise.

Sect. 25. Whoever violates the provisions of any section of this article except Sections 15, 23 and 24 shall be punished by a fine not exceeding twenty dollars for each offence.

Article V

Public Carriages

Section 1. The Board of Selectmen may license upon such reasonable terms and conditions as they deem expedient, hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the selectmen.

Sect. 2. The selectmen shall give notice by publication in some newspaper or otherwise that after a given date, hackney carriages, motor vehicles and all other vehicles used for the conveyance of passengers for hire must be licensed.

Sect. 3. No person after the date given under the preceding

section, shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Sect. 4. Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the board of selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

Sect. 5. The selectmen may grant to the holder of a license under the preceding sections of this article a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license. Any person who violates any of the provisions of any section of this article shall be punished by a fine of not more than twenty dollars for each offence.

Article VI

Building Regulations

(The town Building Regulations as amended to date with this further amendment, namely: — By adding to Section 4, at the end thereof the following: — "Upon the issue of a permit for the erection of any factory building, public building or tenement house there shall be paid to the Inspector of Buildings for the use of the town a fee of two dollars, and upon the issue of a permit for the erection of any other building or for the alteration or repair of any building, a fee of one dollar.")

Article VII

Plumbing Regulations

(The plumbing rules formulated by the State Examiners of Plumbers, adopted by vote of the annual town meeting March 1915, amended as follows:

By striking out the first section and substituting therefor the second section amended to read as follows:

"Section 1. Upon application of a registered master

plumber, on form furnished by the Inspector of Plumbing, said Inspector of Plumbing shall grant written permit to do certain plumbing, described therein, when in conformity with the law. Drawings of proposed work shall be filed if required. Permits may be recalled by the Inspector of Plumbing if conditions are violated. Permits for all plumbing except for repair of leaks, must be in the hands of the plumber before beginning work."

And by adding a new second section as follows:

"Sect. 2. Upon the issue of a permit for the plumbing of any factory building, public building or tenement house, there shall be paid to the Inspector of Plumbing for the use of the town a fee of two dollars, and upon the issue of a permit for the plumbing of any other building or for the partial plumbing of any building, a fee of one dollar."

And by substituting the words "Inspector of Plumbing," for the words "Board of Health," wherever the same appear in said rules, namely, in Sections 4, 9, 12 and 13.)

Article VIII

Repeal

Section 1. All by-laws or parts of by-laws heretofore adopted which are inconsistent with the provisions of the foregoing by-laws are hereby repealed; but the provisions of the foregoing by-laws, so far as they are the same as the provisions of by-laws hitherto in force, shall be construed as a continuation thereof, and not as new enactments.

Sect. 2. The repeal of a by-law heretofore adopted shall not affect any act done, ratified or confirmed, or any right accrued or established, nor any action, suit or proceeding commenced or had in a civil case, nor affect any punishment, penalty or forfeiture incurred under such by-law.

WARRANT

ANNUAL TOWN MEETING

March 6, 1916

Commonwealth of Massachusetts

Norfolk, ss.

To Samuel F. Light, a Constable of the town of Needham, in said county, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the town of Needham, qualified to vote in elections and in town affairs to meet at the Town Hall in said town on Monday, the sixth day of March next, at five forty-five o'clock in the forenoon, then and there to act upon the following articles, viz:

Article 1. To hear and act on the reports of town officers and committees.

Article 2. To choose by ballot the following town officers: One moderator for one year, one town clerk for one year, three selectmen for one year, one overseer of the poor for three years, one assessor for three years, one member of the board of health for three years, one town treasurer for one year, one collector of taxes for one year, two constables for one year, one member of the school committee for three years, one water commissioner for three years, two trustees of the public library for three years, one park commissioner for three years, one tree warden for one year, three members of the finance committee for three years, and upon the same ballot to vote "yes" or "no" upon the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

Article 3. To choose or appoint all other necessary town officers in such manner as the town may determine.

Article 4. To see what disposition the town will make of the money received for dog licenses.

Article 5. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 6. To see what sums of money the town will appropriate for the construction, maintenance and repairs of highways, townways, sidewalks and bridges; for the support of the schools; for the maintenance of the public library; for the relief and support of the poor; for the observance of Memorial Day; for the care and improvement of parks and public grounds; for the use of the tree warden; for other necessary town charges and expenses, including unpaid bills of 1915.

Article 7. To see how the town will have its taxes collected and fix the compensation therefor for the current year.

Article 8. To see what action the town will take in regard to pay of town officers.

Article 9. To see what action the town will take in regard to unexpended balances.

Article 10. To appropriate money to build the approaches to High Rock Street Bridge.

Article 11. To see what sum of money the town will appropriate to repair or rebuild the Pierce Bridge between this town and Dover.

Article 12. To appropriate money to pay the tuition of pupils in vocational schools.

Article 13. To see if the town, as authorized by Chap. 84 of the Special Acts of 1915, will vote to pay a sum not exceeding fifteen hundred dollars to Clyde E. Cookson, a member of the fire department, on account of serious injuries sustained by him while in the discharge of his duties as fireman, or do anything in relation to the same, upon petition of George H. Hassam and others.

Article 14. To see what sum of money the town will appropriate for supervision of Avery School playground, or pass any vote or votes relative thereto.

Article 15. To see if the town will authorize the Selectmen to install three or more street lights, on a way called Melrose Avenue, on petition of John A. King and others.

Article 16. To see if the town will grant an easement to the New York, New Haven & Hartford R.R. Company for depot purposes in a portion of the "Water Shed Land," near

bridge where Great Plain Avenue crosses the railroad track, upon petition of David Murdoch and others.

Article 17. To see if the town will vote to accept Walnut Street, from Linden Street to Marked Tree Road, as laid out by the Selectmen.

Article 18. To see if the town will vote to accept Avery Street from Hillside Avenue to Greenough Street, as laid out by the Selectmen.

Article 19. To see if the town will vote to accept Greenough Street from Pine Grove Street to Avery Street, as laid out by the Selectmen.

Article 20. To see if the town will vote to accept Manning Street from Gibson Street, North two hundred and fifty feet, as laid out by the Selectmen.

Article 21. Shall Chapter 223 of the year 1912, requiring certain towns to provide public playgrounds, be accepted by this town, upon petition of Frank W. Gorse and others.

Article 22. To see if the town will vote to appropriate the sum of one hundred dollars for the collection and disposal of garbage, the same to be expended under the supervision of the Board of Health.

Article 23. To see if the town will take any action by resolution or otherwise, toward presenting a remonstrance to the Public Service Commission against the proposed increase of fares on the Bay State Street Railway.

Article 24. To see if the town will appropriate fifty dollars for purpose of remonstrating against proposed increase of fares on the Bay State Railway, such appropriation to be expended at the discretion of the Selectmen.

Article 25. To see if the town will appropriate the sum of two thousand dollars to purchase the gravel bank on Webster Street, owned by William H. Carter, and authorize the Selectmen to acquire it in the name of the town, or pass any vote or votes relative thereto.

Article 26. To see if the town will take any action looking toward putting the Water Department on a self-supporting basis, upon petition of the Finance Committee.

Article 27. To see if the town will vote to adopt the recommendations of the committee on by-laws, or vote to revise or amend the town by-laws or do anything in relation to the same.

Article 28. To see if the town will vote to have the reports of its officers, and the proceedings of this and subsequent town meetings printed and copies thereof distributed.

Article 29. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any purposes mentioned in the foregoing articles, and to act upon the appropriations asked for or proposed by the Selectmen or by any town officers or committees.

The polls may be closed at six o'clock, p.m.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant, with your doings thereon, unto our town clerk on or before said day and hour.

Given under our hands at Needham aforesaid this fourth day of February A.D. nineteen hundred sixteen.

SAMUEL H. WRAGG,
JAMES M. MCCRACKEN,
GEORGE W. BAKER,
Selectmen of Needham.

REPORT OF OVERSEERS OF POOR

December 31, 1915

To the Citizens of Needham:

The Board of Overseers of the Poor present their second annual report feeling a great gain has been made in experience, whereby money has been saved to the town.

Although 68 cases have been aided as against 46 last year the Board has been able to save $1,283.07 from their appropriations.

On one settlement alone the town has saved what would have cost at least $6100.00 in twelve years. Three cases were involved in this settlement, which cases were found by the Board's agent to have their settlement in other towns. A fourth case having been settled in another town saved what would have cost our town about $1500.00 in ten years.

The Board again asks the various charities of the town to co-operate with them, that aid may not be given from several sources at once.

The Murdock fund was used to great advantage by the committee of that fund working with the Overseers.

The King's Daughters also have been most ready to respond and work with the Board, but much still remains to be wished for in the way of co-operation with all branches of charitable workers in Needham.

Nothing is worse for the recipients than too much aid, with its tendency to permanently pauperize, and though we have gratifying examples of people helped to regain their feet and no longer desiring aid from any source, and several even paying the town for every cent expended, yet the tendency of those once receiving aid from the town is to give up the attempt to be self-supporting.

The Board feels there is much to be done for the poor of the town outside the province of this Board in the way of education in improved methods of housekeeping, especially the cooking and wise purchasing of food and the care of young children.

The visiting nurse has done a great deal in this respect, but her hands are very full and much still remains to be accomplished.

Below will be found tabulated schedules of all cases aided, according to the plan of reporting adopted last year by the Board.

Schedule of Expenditures for the Year 1915 Ending December 31st

Register Number	Personal	Duration of Aid	Type of Aid	Amount
325	Widow	52 wks.	Board	$156 40
239	Family of 7	26 wks.	Food and fuel	96 01
373	Adult female	8 days	Hospital	28 50
280	Family of 6	15 wks.	Food	43 00
371	Adult female	10 days	Hospital	15 71
374	Family of 3	1 wk.	Burial	15 15
155	Family of 4	52 wks.	Rent, food	88 50
375	Minor female	20 wks.	Institution	43 80
376	Widow	52 wks.	Rent, food, fuel	166 51
343	Widow	52 wks.	Rent, cash, fuel	205 00
342	Adult male	8 days	Hospital	17 15
377	Adult female	16 wks.	Institution	57 50
300	Family of 10	8 wks.	Food, fuel	62 97
243	Widower	48 wks.	Board, medical, att'd.	242 52
302	Family of 5	52 wks.	763-cash, food	317 73
264	Family of 2	3 mos.	Rent	27 00
213	Family of 6	20 wks.	Fuel, food, misc.	86 80
363	Female	12 days	Hospital	26 78
355	Family of 6	30 wks.	763-cash	242 12
354	Family of 3	4 wks.	Rent, fuel	22 00
362	Minor	2 days	Hospital	2 00
356	Family of 5	6 wks.	Food	18 22
238	Adult female	99 wks.	Institution	474 62
121	Widow	52 wks.	Board, misc.	233 35
346	Family of 6	48 wks.	Food, hospital, medical	199 25
321	Widow	52 wks.	Rent, food, fuel	209 68
347	Minor female	52 wks.	Board	156 40

		$3,175 12
Appropriations	$2,400 00	
Dog taxes	709 62	
Fines	65 50	
		$3,175 12

For nearly twelve years the Town of Needham has maintained a library in each of its two principal villages, and for some years also a delivery station at the Upper Falls and another at Greendale, but this arrangement comes to an end with the year 1915.

During the past year the community has made large use of the opportunities afforded by its libraries, and the trustees feel that it has derived both pleasure and profit from them. We wish to express our appreciation of the faithful and intelligent services of the librarian and of her assistants, and believe that the public recognizes their efficiency and disposition to extend in every available way the usefulness of the libraries.

In 1916 the Needham Free Public Library will be consolidated under one roof, in a new and handsome building, and its future should be even better than its past.

Respectfully submitted for the Trustees,

GEORGE K. CLARKE,
Chairman.

January 7, 1916.

REPORT

The Finance Committee has held ten meetings since receiving the warrant from the selectmen, fifty-three separate appropriations were considered, many departments having several items requiring careful consideration.

The various departments of the town asked for a net increase of $18,071.18. These requests have been considered very carefully and the committee believes that all departments can be properly maintained with a net increase of $2,366.18, including a reserve fund of $1,000. The only special appropriation in 1914 was $250 for Fourth of July. This year special appropriations amounting to $14,703.74 are asked for and favorable action on one would add at least $1,500 to the departmental appropriations. The committee recommends the appropriation of $2,225 for special appropriations.

Municipal indebtedness and interest on same to be paid this year amounts to $29,363.00 an increase of $2,758.00.

If the recommendations of the Finance Committee are voted on favorably, $7,099.18 will be added to the amount raised in 1914 by taxation for town purposes.

ARTICLE 4.

The committee recommends that $709.62, the money received from dog licenses be appropriated for the use of the Public Library.

ARTICLE 6.

Selectmen's Department.	$750. Salaries $450, expenses $200, clerk $100.
Accounting.	$1000. Salary $900, expenses $100.
Treasurer.	$900. Salary $500,clerk $100, bond $125,expenses $175.
Tax Collector.	$1000. Salary $950, bond $50.
Assessors.	Salaries $1900, plans $500, expenses $400.
Town Clerk.	$475. Salary $250, fees $100, expenses 125.
Election and Registration.	$600. Salaries $160, tellers' expenses $440.
Care Town Hall.	$1000 and an amount equal to the receipts. The receipts were ample in 1914. The 1915 appropriation includes salary $600, fuel $325, supplies $125, repairs $425 (curtains, plumbing, steel shelves, etc.)
Police.	$4000, salaries, expenses, etc.

Engineers. Salaries $300, same as in 1914.

Fire Dept. Maintenance $5423.00 and an amount equal to receipts; new hose $450, horse and auto hire $1025, rent and care of stations $572, equipment $250, salaries, forty-nine men, $1176; fire service $1600, drills $300, printing, etc., $50. The arrangement for horses at the Heights has been very satisfactory and a similar arrangement should be made at Needham.

Fire Alarm. $2600. The fire alarm service needs considerable new work and the Finance Committee recommend that seven miles of new wire be installed each year for the next three years at an expense of approximately $1050 a year, the amount recommended includes also $175 for two new boxes, $100 for one half set storage batteries, $125 for a visual indicator, $300 for repair to lines and apparatus, $100 for tappers, $300 for supplies and contingencies, $450 for salary.

Board of Health. $850. Milk inspection, laboratory examination and disinfection $750, care of contagious cases transferred from overseers of the poor $400. Included under deficits is included $300 of the $1150 estimate asked for.

Public Library. $2400 and an amount equal to the receipts from dog taxes, fines and other resources. The increases include cost of moving to new building $100, insurance on same $360. No recommendations could be voted for furnishings, stacks, etc., for new building as the trustees were not in a position to know their requirements.

Inspection. $1100 and an amount equal to the receipts. Salaries wire inspector $200, inspector of weights and measures $75, building inspector $300, plumbing inspection $250, inspector of cattle $150, expenses $200.

Extermination of Gypsy and Brown Tail Moth. $3365.53 and $3000 for work on private property and an amount equal to the receipts. The $3000 is not added to the tax levy being paid to the town when work is done.

Forest Warden. $120. Salary $100, expenses $20.

Schools. $55,517 and the income from the Dwight school fund and an amount equal to the receipts from tuition and sale of books; salaries $40,317, books and supplies $2500, fuel $3700, janitor supplies $350, tuition $200, insurance $800, transportation $1200, repairs $2000, furnishings Stephen Palmer school $200, evening school $350, school committee rooms $150 The increases cover the regular schedule of advances established in 1911 for teachers amount-

ing to $1772, additional teachers $530, additional janitor $600. The finance committee recommends that the school committee use the rooms to be made vacant by the removal of the library reading room, saving at least $450 per year.

Highways. $16,000 and an amount equal to the receipts from private individuals and the street railway and excise tax. The town spent $22,885 on highways in 1914 and the finance committee recommends approximately the same amount this year; the amount $2500 for state road will not be included in the tax levy same being paid to the town out of the motor vehicles fund if the town's petition is granted. The town has received $3827.85 from this fund since the finance committee recommended that the selectmen petition for same in their report two years ago. The appropriation is divided—cleaning $2800, drainage $1000, fences $500, general expenses $3000, signs $50, dust laying and preservatives $5000, construction $6000.

Sidewalks. $2000 and an amount equal to the receipts from individuals.

Street Lighting. $8700. The selectmen recommended $430 for a new lighting system in Needham square consisting of 49—60 candle power lights to replace the 17—32 candle power and 3 arcs now in use in the square and on the streets radiating from same. This would mean a permanent expense and the finance committee were unanimous in voting not to recommend it. The committee was also unanimous in voting not to recommend an appropriation of $1800 for the full schedule in place of the moonlight schedule now in force. Under the contract with the Edison Co., the selectmen can order the lights turned on at any time. The committee recommend that $300 less be appropriated this year than in 1914 when the cost was $8569 and a considerable saving can be made by having the lights extinguished at 12.30 as is done in many towns similarly located to Needham.

Soldiers' Relief. $1100, includes $150 for rent of quarters for the G. A. R. Post.

Unclassified Accounts. $1375 includes legal expenses, printing of town report, $1092.60; distribution of same, expense of dog officer, printing of bonds, certification of town notes.

Reserve Fund. $1000. The committee is unanimous in urging the town to make appropriation under this account.

ARTICLE 11.

The committee voted unanimously not to recommend any appropriation under this article. If the town does vote to purchase a motor fire apparatus, it will necessitate adding at least $1500 to the Fire Department Maintenance appropriation, made up of cost of maintaining the truck, $75; salaries two permanent men, $2300; alterations to fire houses, $259; total, $2625, with a possible saving of salaries of forest warden, $100; chief, $100; three call men, $72; steward, $90; building inspector, $300; horse and auto hire, $416; a total of $1128, with no allowance for depreciation of truck.

ARTICLE 12.

This allows for the tuition of two day pupils and three evening pupils at the Newton Vocational School.

ARTICLE 13.

The Committee recommends that this article be dismissed.

ARTICLE 14.

The appropriation of $1100 is for 52,000 square feet of land bounded by three streets and well adapted for school purposes. An option has been taken on same.

ARTICLE 15.

Although the appropriation voted at the Town Meeting January 16, 1914, was expected to cover the expense of sidewalks and grading, the work could not be done within the appropriation. The Finance Committee voted to recommend the appropriation of $250 to put the grounds in usable condition. A total of $1500 will be necessary to do all the work.

ARTICLE 16.

The Finance Committee voted not to recommend any appropriation under this articie, as at the time of sending this report to the printer no word had been received that would warrant the Finance Committee believing that the Public Service Commission would issue order for the erection of the bridge.

ARTICLE 17.

The acceptance of Manning street involves no expense to the town having been built by abutters in accordance with specifications furnished.

ARTICLE 19.

The Finance Committee voted not to recommend any appropriation under this article.

ARTICLE 20.

The Committee recommends that the subject matter of this article be referred to the Water Commissioners.

ARTICLE 24.

The Committee recommends that the subject matter of this article be referred to the School Committee.

ARTICLE 26.

The Committee recommends that no appropriation be be made under this article

ARTICLE 27.

This balance, $508.74, is properly an unpaid bill of 1913, and as the bill has not been approved by the Bi-Centennial Committee, although requested to do so by the Finance Committee, the Finance Committee recommends that no appropriation be made under this article.

ARTICLE 28.

The Committee carrying out its policy of a year ago does not recommend any appropriation under this article.

ARTICLE 33.

Two suits against the town to recover this expense were decided in favor of the town as shown in the Selectmen's report. While this is the outcome of the unfortunate controversy between the Fire Engineers and Selectmen, the Finance Committee believing that "municipalities have no power to appropriate money as gratuities to any person, no matter how strongly public sympathy may be moved in their favor," voted unanimously not to recommend any appropriation under this article.

REPORT OF BOARD OF HEALTH

To the Citizens of the Town of Needham:

The organization of the Board for 1915 was as follows: Virgil A. Rowe, chairman, J. Walter Schirmer, M.D., secretary, and Edgar A. Crossman, M.D.V. The appended report of our agent, Mr. Robert N. Hoyt, shows in detail the work done during the past year. After a careful consideration of different plans, we contracted with the Co-operative Health Organization to look after the health interests of the town for another year. The unusual number of outbreaks of contagious diseases, mostly among infants and children, has proven conclusively the wisdom of having a trained agent who makes an investigation of each case, trying to trace the source of disease and prevent the spread of infection. The instructions given the attendant are an important part of the agent's duties. Many complaints have been received by the Board especially in regard to the collection of garbage. The time seems to have arrived when the town should make an appropriation for this work. It is almost impossible to make any arrangement for the collection of garbage and hold the individual responsible without some compensation.

We have been obliged to call on the Finance Committee for an appropriation out of the reserve fund to take care of contagious diseases previously cared for by the Overseers of the Poor, but turned over to this department last year. The Board has no control over those cases and it is hard to make an estimate for any one year.

We have appealed to the citizens and especially the storekeepers using the public dumps to be more careful in sending papers to the dumps. The complaints about the unsightly condition of the public dumps are justified. Unless more care is taken in the future, the Board has decided to close all public dumps.

The matter of keeping swine and the transportation of garbage through the streets of Needham has been taken up

with the By-Law Committee, and a town by-law regulating the same will be presented to you for your consideration.

Respectfully submitted,

VIRGIL A. ROWE,
J. WALTER SCHIRMER,
EDGAR A. CROSSMAN,
Board of Health.

AGENT'S REPORT

Wellesley Hills, Mass,,
January 31, 1916.

Board of Health of Needham:

Gentlemen: — I herewith submit my report as Agent and Milk Inspector for the year 1915:

I. THE CO-OPERATIVE HEALTH ORGANIZATION.

Since April 1, 1913, you have secured for Needham the services of the Co-operative Health Organization established by the Massachusetts Institute of Technology with the assistance of the United States Public Health Service.

II. DISEASES DANGEROUS TO THE PUBLIC HEALTH.

1. Methods for Protection of the Community.

Prompt isolation of infected persons, liberal use of the laboratory to hasten diagnosis, and emphasis on bedside disinfection have been the main points in the work of protecting the community from communicable diseases. A detailed description of these methods may be found in the report of the Board of Health for 1913 and 1914.

2. The Prevalence of Diseases during the Year.

Table No. 1, given below, shows the number of cases of each of the common communicable diseases reported during 1915 and during each of the nine preceding years. The total for 1915 is somewhat larger than that of the preceding years, but this is partly due to the fact that a larger proportion of the cases of diseases have been correctly reported to the Board of Health. Measles and whooping cough claim the largest number of cases reported. Table II shows the distribution of cases by months in the year 1915. In April occurred 100 cases of measles. If the lighter and less easily recognized

TABLE I

Cases of Communicable Diseases by Years for the Last Ten Years

cases of measles had been reported promptly, so that isolation might have been established early, no doubt many of the later cases might have been prevented.

Diphtheria

Fifteen cases of diphtheria were reported or discovered during the year, eleven of these occurring in August, and ten of them among children in the same neighborhood. The ages of these children ranged from one and one-half years to ten years. One case of a child two years old was fatal. Immediately afterward, the other nine cases were discovered in the same neighborhood and prompt isolation and treatment were secured.

There was no case of diphtheria traceable to infected milk.

Scarlet Fever

Twenty-five cases of scarlet fever were reported during the year. The largest number in any one month was ten, occurring in June. These were cases mainly among school children, and eight of them were located in Needham Heights. The relation of the cases to milk supplies was so varied as to give no grounds to believe that any milk supply was the source of infection.

Tuberculosis

Eleven cases of tuberculosis were reported during the year, seven of them being of the pulmonary type. From the number of deaths from tuberculosis among Needham residents, it is evident that the number of cases is far larger than indicated by the number reported. Many of these unreported cases are mild or incipient and have not been reported because the patient has not visited a physician. Too much emphasis cannot be laid on the importance of a careful examination of every anæmic child. The family physician can often detect the first signs of tuberculosis or of some other disease in time to prescribe a mode of rational living which will prevent untimely death. In this connection it is being urged that even healthy adults be examined periodically. It is only in this way that the alarming increase in mortality in middle and later life can be stopped.

Deaths from Communicable Diseases

Table III shows the number of deaths from each of the communicable diseases during the last ten years.

TABLE III

Deaths from Communicable Diseases

DISEASES	1906	1907	1908	1909	1910	1911	1912	1913	1914	1915
Diphtheria	1	2	3	1	0	0	1	0	1	1

Totals	12	9	5	7	10	7	11	7	10	14

3. Laboratory.

There has again been an increase in the number of laboratory tests for communicable diseases. The total number of examinations for 1915 was 195, an increase of 56 over the record of 1913, when the work of this organization began. A detailed report of the laboratory tests is given in Table IV.

TABLE IV

Laboratory Examinations

	1913	1914	1915
Total Examinations for physicians	149	178	195

Negative	0	11	1
Other Examinations			
Other examinations	0	6	2

4. Culture Stations.

Free supplies of antitoxin, vaccine, and other prophylactics furnished by the State Department of Health have been kept at the laboratory in Wellesley Hills, at Maloney & White's Drug Store in Needham Square, and at the drug store of Mr. Virgil A. Rowe. Outfits for submitting diagnostic specimens to the laboratory are also kept at these places.

5. Fumigations.

The Board of Health has continued the process of fumigation, but only as a prelude to the more thorough disinfection secured by boiling infected linen, scrubbing woodwork and exposing other articles to the sunlight. The cities of Providence, New York City and Boston no longer perform fumigation after recovery from diphtheria and scarlet fever.

TABLE V

FUMIGATIONS

DISEASES	Rooms	Houses	Schoolhouses
Diphtheria	27	11	0
Scarlet fever	36	17	18
Tuberculosis	2	2	0
Totals	65	30	18

III. INFANT MORTALITY.

During 1915, there were fifteen deaths of infants under one year of age in Needham, of which one was a non-resident. To these deaths should be added three infants who died in out-of-town hospitals but whose parents were Needham residents. Three deaths were due to diarrhœa and enteritis and one to whooping cough.

The record for 1915 is far worse than for 1914, when only seven deaths of infants occurred in Needham.

IV. FOOD INSPECTION.

1. Milk.

The supervision of the milk supply of Needham has been continued during the year 1915. The number of samples analyzed has increased from 82 in 1914 to 118 in 1915. About

one-fourth of all the samples analyzed contained less than 10,000 bacteria per cubic centimeter. This indicates a very good degree of care and cleanliness. Over 92 per cent of the samples fell within the required limit of 300,000 bacteria per cubic centimeter as compared with 89 per cent in 1914. Table VI shows the nature of the entire milk supply during 1914 and 1915.

TABLE VI

Results of Bacteriological Examinations of Milk 1914 and 1915

Bacteria per cubic centimeter	1914				1915	
	Samples from wagons		Samples from stores		Samples from wagons	
	No.	%	No.	%	No.	%
Below 10,000	24	29.3	0	0	29	24.5
10,000 to 20,000	14	17.1	2	40	24	20.4
20,000 to 50,000	14	17.1	2	40	24	20.4
50,000 to 100,000	10	12.2	0	0	13	11.0
100,000 to 300,000	11	13.4	1	20	19	16.1
Total samples under 300,000*	73	89.1	5	100.0	109	92.4
300,000 to 500,000	5	6.1	0	0	2	1.7
500,000 to 1,000,000	2	2.4	0	0	4	3.4
Over 1,000,000	2	2.4	0	0	3	2.5
Total samples above 300,000*	9	10.9	0	0	9	7.6
Total no. samples collected	82	100.0	5	100.0	118	100.0

*Maximum count allowed by Board of Health.

The nature of the individual supplies is indicated by the following table which gives the median number of bacteria and the number of samples which were taken from each supply. The median is similar to the average and consists of the middle number, selected after the bacteria counts have been arranged in order of magnitude.

The richness or food value of milk is indicated by the per cent of butter fat (cream) and of total solids (all of the milk except the water). The following table gives the average of the chemical analyses of the Needham supplies together with a statement of the minimum percentages allowed by the State Law.

TABLE VII

Milk Analysis

Median Number of Bacteria Per Cubic Centimeter for Each Dealer, 1915

DEALER	Median Number of Bacteria per cubic centimeter	No. of Samples
Bezanson, E. F.	33,000	12

*Deaths corrected by subtracting number of non-residents dying in Needham and adding number of Needham residents dying out of town.

†Estimate based on Federal Census, 1910, and State Census, 1915. All other estimates based on Federal Censuses only.

V. Nuisances.

In addition to making inspections when complaints have been received, there has been an attempt to discover and correct offensive and dangerous conditions before the public has noted and complained of them. The nature of the complaints which were received is indicated in the following table.

TABLE XII

Complaints

	Complaints Received	Inspections Made	Disposition of Complaints		
			Abated	No cause for action	Pending
Sewerage and cesspools	15	31	9	2	4
Privies, offensive	6	13	3	2	1
Pigs, offensive	8	26	6	0	2
Garbage and refuse	7	13	7	0	0
Houses, insanitary	2	2	1	1	0
Garbage pails	1	2	1	0	0
Cow barn, insanitary	1	1	1	0	0
Milk sold without a license	1	1	1	0	0
Insanitary condition of burned building	1	1	0	1	0
Totals	42	90	29	6	7

VI. Municipal Waste.

1. Garbage.

I believe the time is approaching when Needham should have a system of municipal garbage collection and believe that $150 would be sufficient to retain the services of one of the men now collecting garbage sporadically as a regular collector for the thickly settled parts of Needham and Needham Heights.

Respectfully submitted,

Robert N. Hoyt,
Agent and Milk Inspector.

Needham 486-W, Pumping Station.

TWENTY-SIXTH ANNUAL REPORT OF WATER COMMISSIONERS

To the Inhabitants of the Town of Needham, Massachusetts:

The Water Commissioners herewith submit their twenty-sixth annual report for the year ending December 31, 1915.

At the annual town meeting in March, Mr. Albert E. Collishaw was re-elected Water Commissioner for a term of three years.

The board organized by electing Mr. Edmund G. Pond chairman, and appointing George A. Adams clerk.

New Standpipe

A lot of land was purchased in the spring for a location for the new standpipe. This piece of land, 209 x 209 feet, on the summit of Birds Hill (the highest land in Needham), was purchased from Mr. Frederick H. Page, at the assessed valuation, with the provision that the department put 100 loads of filling or gravel on the roadway from Great Plain Avenue to the lot.

Bids were received in May for the erection of a steel standpipe, and the contract was awarded May 17, 1915 to the Hodge Boiler Works of East Boston, Massachusetts, for $7,710.00.

The steel work was finished and the standpipe put in service December 10, and has been in daily use since that date. December 10, 1915 was the twenty-fifth anniversary of filling the old standpipe.

The new standpipe is 55 feet in diameter and 44 feet in height, and holds approximately 784,000 gallons; the old standpipe holds 312,000 gallons, making a storage capacity of 1,096,000 gallons, or 945,000 gallons in both standpipes above the elevation of the bottom of the new one.

The standpipe is on a concrete foundation 60 feet in diameter and 6 feet deep, which was put in by the department. It being so cold when the steel work was finished, it was thought advisable not to sandblast and paint until spring, as much better results would be obtained. As soon as the weather will permit this work will be done.

Extensions

On account of erecting the new standpipe it was necessary to lay an 8-inch main in Harris Avenue to Great Plain Avenue, take up the 6-inch main in Great Plain Avenue from Harris Avenue to Birds Hill Avenue and replace it with a 12-inch main, and lay a 16-inch main from Great Plain Avenue through Birds Hill Avenue and Hillcrest Road to the standpipe. The following extensions have also been made in 1915: Chestnut Street, Fairview Road, Green Street, Henderson Road, High Rock Street, Marked Tree Road, Stevens Street, Sunnyside Road, and Walnut Street; all of the extensions were made by the department.

For location and distances see Superintendent's Report.

Fire services have been installed at the Needham Tire Company, and Mr. Roger Cutler's on South Street, Mr. E. G. Pond's on Chestnut Street, and The Lionne Company on Hillside Avenue, the total cost in each case being paid by the owner, as provided by the rules of the department.

Bonds

Water bonds to the amount of thirty thousand dollars have been issued and sold during the year.

Thirty one-thousand-dollar 4% coupon notes dated September 1, 1914, numbers 286–315 inclusive, $1,000 payable September 1, each year for thirty years. This is the last issue of the fifty thousand dollars authorized by Acts of 1913.

Bonds to the amount of ninety-five hundred dollars have matured and been paid during the year, as provided by Chapter 259 of the Acts of 1900, and in accordance with a vote of the town passed June 28, 1900.

The outstanding bonds mature as follows:

Outstanding Bonds

1916	$9,500 00	
1917	9,500 00	
1918	10,000 00	
1919	10,000 00	
1920	10,000 00	
1921	9,500 00	
Carried forward		$58,500 00

Brought forward	$58,500 00

SUPERINTENDENT'S REPORT

To the Honorable Board of Water Commissioners:

Gentlemen: — I present herewith the report of the department for the year ending December 31, 1915.

Summary of Receipts

Cash in treasury, January 1, 1915		$3,496 99
Water rates	$12,871 70	
Repairs	141 78	
Meter rentals	942 15	
Sale of grass	30 00	
Rent of buildings	264 00	
Interest on bank balances	145 26	
Interest on loans	44 45	
Accrued interest on coupon notes	390 00	
Sale of old tires	2 63	
Refund on cement bags	212 90	
Water for public purposes	3,000 00	
		18,044 87
Extension of services	$753 31	
Coupon notes	30,000 00	
Loan	500 00	
		31,253 31
		$52,795 17

Summary of Expenditures

Extension of main	$13,053 67	
Extension of services	2,518 18	
Purchase of meters	580 60	
Increasing and protecting water supply	13,269 34	
		$29,421 79
Coal	$633 31	
Engineers	2,262 00	
Labor on station and grounds	125 87	
Supplies for station	255 20	
Telephone service	11 89	
Lighting station	138 10	
		3,426 37
Carried forward		$32,848 16

Brought forward		$32,848 16
Telephone service	$70 69	
Printing and stationery	67 22	
Salaries	1,430 00	
Office and meter reading	428 38	
Repairing, parts and care of meters	214 21	
Labor and material on leaks	196 98	
Premium on liability insurance	309 20	
Labor, supplies and general repairing	1,017 95	
		$3,734 63
Interest on bonds	$8,060 00	
Interest on loans	253 33	
Loans of 1914	7,500 00	
Expense on checks	54	
		15,813 87
Cash in treasury, December 31, 1915		398 51
		$52,795 17

Services

One hundred and six services have been added during the year; one discontinued, making a total of one thousand five hundred and twenty-four.

Sixty-nine have been shut off temporarily, and thirty supply the public buildings, parks and fountains of the town. There are also nineteen private fire service mains for the protection of property.

The length of service pipe laid is 10,607.9 feet, added to the amount reported December 31, 1914, makes a total of 148,785.0 feet or 28.17 miles.

911.8 feet of 12-inch pipe in Great Plain Avenue was to replace 6-inch pipe.

Summary of Statistics

For the year ending December 31, 1915

Needham Water Works, Norfolk County, Mass.

Population by census of 1915, 6,508.
Date of construction, 1890.
By whom owned, town of Needham.
Source of supply, wells.
Mode of supply, pumping to standpipes.

Pumping

1. Builders of pumping machinery, The George F. Blake Mfg. Company and Laidlaw-Dunn-Gordon Company.
2. Description of fuel used:
   a. Kind, bituminous coal, per gross ton, $4.94.
3. Coal consumed for the year, 400,000 pounds.
4. Total pumping for the year, 147,910,000 gallons, without allowance for slip of the pumps.
5. Average static head against which pumps work, 242 feet.
6. Average dynamic head against which pumps work, 277 feet.
7. Number of gallons pumped per pound coal, 369.7.
8. Duty = (gallons pumped × 8.34 (lbs.) × 100 × dynamic head) ÷ total fuel consumed. New pump 85,424,680 foot pounds.

Cost of pumping figured on pumping station expenses, viz.: $3,426.37:

9. Per million gallons pumped, $23.16.
10. Per million gallons raised one foot (dynamic) .083.

Cost of pumping figured on total maintenance, including interest on bonds, viz.: $15,474.87:

11. Per million gallons pumped, $104.62.
12. Per million gallons raised one foot (dynamic) .37.

Consumption

1. Estimated population of town, 6,600.
2. Estimated population on lines of pipe, 6,550.
3. Estimated population supplied, 6,550.
4. Total consumption, 147,910,000 gallons.

5. Average daily consumption, 405,232.
6. Gallons per day to each inhabitant, 61.3.
7. Gallons per day to each consumer, 61.8.
8. Gallons registered by meters, 52,131,765.
9. Water for public purposes not metered.

Distribution Mains

1. Kind of pipe, cast iron.
2. Sizes, from 4 to 18 inches.
3. Extended during the year, 6,301.0.
4. Total now in use, 41.13 miles.
5. Number of hydrants added during the year, 15.
6. Number of hydrants now in use, public, 336 private, 22 — total 358.
7. Number of stop gates added during the year, 20.
8. Number of stop gates now in use, 344.
9. Range of pressure on mains, 63 to 120 lbs.

Services

10. Kind of pipe, cast-iron, cement-lined and galvanized iron, lead, and lead-lined iron.
11. Sizes, ½ to 8 inches.
11. Extended 10,607.9.
13. Total now in use, 28.17 miles.
14. Number of services added during the year, 106.
15. Number now in use, 1,524.
16. Number used for public purposes, 30.
17. Number of meters added, 102.
18. Number now in the department, 1,453.
19. Percentage of services metered (domestic), 100.

Respectfully submitted,

GEORGE A. ADAMS,
Superintendent.

REPORT OF SUPERINTENDENT

To the School Committee of Needham:

I beg leave to submit to you my fifth annual report of the public schools.

The following table shows the record of attendance for the last four years.

	1911–12	1912–13	1913–14	1914–15
Enrollment	1,064	1,073	1,191	1,222
Average membership	992	1,021	1,130	1,199
Average attendance	926	968	1,081	1,144
Percent of attendance	93.4	94.7	95.6	95.6
Number of tardinesses	3,187	1,410	1,262	884
Number of dismissals	No record		641	510
Number on roll of honor for perfect attendance	45	75	129	148

This record shows that our schools are having a steady growth in numbers. The average membership and average attendance have increased over two hundred in the four years, 207 in average membership and 218 in average attendance. The number of teachers has increased from 38 to 43, an increase of 5. The school census of 1914 gave the number of children between 5 and 16 years of age as 1,236. Our average membership for that year was 1,222. This shows that our membership is very close to the census record. Although there are some that do not enter school until they are about seven years old, there are others between the ages of 14 and 16 years who are at work, and there are still others who attend private schools. On the other hand, there are a number in the junior and senior classes of the high school that are over 16 years old. After the census is completed each year I compare the census cards with our school record cards and see that every pupil required by law to attend school is enrolled in some school. It is very rare that I find a parent neglecting to send his child to school when the child is of compulsory age. The spirit towards school attendance throughout the town is excellent. As a witness

of this fact note that the per cent of attendance for the last two years is 95.6. It would have been still larger this last school year, had it not been for the epidemics of whooping cough and measles that broke out in the Stephen Palmer and Avery schools last spring. The teachers expect to raise the per cent of school attendance above 96 this year, if we escape an outbreak of contagious diseases. Another example of the spirit of good attendance is the fact that the number of cases of tardiness has been reduced from 3,187 to 884 in four years and the roll of honor for perfect attendance has been increased from 45 to 148.

Promotions

The following table gives the record of the promotions and the non-promotions for the last five years, the per cent not promoted each year, and the average of each item.

	1911	1912	1913	1914	1915	Average
Number promoted	863	918	934	1,053	1,134	980
Number not promoted .	78	57	69	60	56	64
Total	941	975	1,003	1,113	1,190	1,044
Percent not promoted	8.3	5.9	6.9	5.4	4.7	6.1

In four years the number promoted has increased by 273 and the number not promoted has decreased by 22, and the per cent of non-promotions has become a little over one-half of what it was in 1911. We expect in 1916 to reduce the number to less than 50 and the per cent to 4. It should be mentioned that when the teachers do their utmost, there will always be a small per cent of pupils that will fail of promotion on account of sickness or slowness in their work or for some other reason. The average number not promoted during the last five years was 64. This number means two schools of 32 pupils each and in the last analysis, if these pupils do not leave before they graduate, this non-promotion means the employment of two more teachers in the school department to teach these retarded pupils. The majority of these pupils not promoted could be raised to their grade, if they attended a summer school and worked upon their deficiencies. Six weeks of faithful work would place them somewhere near the level of their classmates. A summer

school could be carried on in this town for six weeks with two teachers for about $250. The sessions might be made from 8.30 to 12 o'clock and the school be open to all who failed of promotion in the grades. By this means at least thirty pupils could save a year in their work. The result would be that in a few years the school department could get along with one less teacher on this account, since each year thirty pupils have gained a year in their school life and would graduate one year sooner. The average salary of the teachers in the elementary schools is now $691; the cost of the summer school would be $250; a saving of $440 to the school department might be made in this way. I recommend the matter of the summer school to the consideration of the committee.

The Loss of Pupils During the Summer Vacation

During the last summer vacation the loss of pupils from our schools was 104, divided as follows: 38 left town, 27 went to work in business places, 19 stayed at home to work, 2 went to normal school, 14 went to technical schools, and 4 went to college. The total number, 104, includes the thirty-one graduates of the high school. In the three other classes of the high school there was a loss of but eleven pupils, in the grades the loss was 62 pupils. The losses during the summer vacation for the two previous years were seventy pupils in 1913 and eighty-two pupils in 1914.

High School and Grammar School Graduates

It seems a good plan to keep a record of what our high school and grammar school graduates do after they finish their respective courses. The graduates of the high school last June numbered thirty-one. Ten of these went to work in business places, four remained at home to work, two went to normal schools, eleven to technical schools, and four to college. There were seventy-one graduates from the grammar schools last June. Two of these moved out of town, three went to work in factories, six work at home, three went to technical schools, and fifty-seven entered our high school. The two that left town are in high school in their respective towns, so that sixty-two of the seventy-one graduates are continuing their education in secondary schools, a little more than 87%.

September Registration

The following table shows the registration in September for six years.

1910	1911	1912	1913	1914	1915
1,021	1,024	1,056	1,167	1,210	1,258

This table shows a gain of 237 pupils or 23% in five years. This record runs about parallel with the records of those years as given in the first part of this report and shows the steady progress of the town.

The Age of the Children by Grades

For three years a table has been given showing the age of the children in their respective grades. The purpose of this tabulation is to find the number of children that are older than the normal age of their grades and help them individually to advance more rapidly in their courses. This record has been made in September each year. The normal age of the first grade has been taken at either five or six years, since a child may enter school when he is five years old and by state law he must enter when he is seven years old. We find that children enter the first grade anywhere between the fifth and the seventh birthday when the school regulations will admit them and that quite a large number are over six years old when they enter school. In our investigations this year we found twenty-four pupils that were over age because they entered after the seventh birthday. The normal age of the second grade is one year more than that of the first grade or the age between the sixth and the eighth birthday; the normal age for the third grade is the age between the seventh and the ninth birthday and so on for all the grades. From the table we derive the following record for the three years.

	1913		1914		1915	
	Number	Per Cent	Number	Per Cent	Number	Per Cent
Under age	40	3.4	44	3.7	50	4.0
Normal age.....	913	78.2	922	76.3	995	79.1
Over age	214	18.4	242	20.0	213	16.9

In this table it is to be noted that there has been but little fluctuation in per cent during the three years. A slight gain has been made in reducing the number of over-age pupils,

yet the number is still large and demands consideration. The teachers have carefully studied the individual cases and have discovered as far as possible the reasons for over-age. In the table for 1915 the reasons and the number of children for each reason are as follows. Immaturity 5, home conditions 2, slowness 55, lack of ability 22, absence on account of sickness 35, absence for other reasons 3, change of school system 20, foreign nationality 34, lack of interest 8, entered school after the seventh birthday 24, from ungraded schools 3, deafness 2. The majority of these reasons are valid, such as immaturity, home conditions, slowness, absence for sickness, foreign nationality, entered school after the seventh birthday, and deafness. Lack of ability does not seem to be a valid reason for over-age. If the child does not have the ability to do the grade work, he should not receive the disgrace of non-promotion, but he should go on with his classmates and get what education he can. Absence for any other reason than sickness is not a valid reason for over-age. Since school attendance is so carefully guarded by state law, if the school authorities do their duty, no child with good health will absent himself to such an extent from school as to affect his promotion and cause over-age. Lack of interest is another weak reason for over-age. The enthusiastic teacher will annihilate lack of interest in her school. Change of school system and ungraded schools appear at the first view to be good reasons for over-age, but if children of good minds have been retarded on either of these accounts, they should be given an opportunity to advance by double promotion. The superintendent and the teachers are going to make a special study of these over-age pupils and as far as possible advance them two grades this year. We expect to reduce the number of over-age pupils to 175 next fall. The minimum number of over-age pupils for our school system is between 100 and 150. If we can reduce the number of over-age pupils to 100, we can save the service of three teachers and get over 100 pupils through school one year earlier either to go into business life or into more advanced schools. On either count it is worth the trial.

Changes in the Teaching Corps

Since the close of the year 1914 three teachers have been added to our school system on account of the increase in at-

tendance. These are Mary M. Gregg, Stephen Palmer School Grade III, Dorothy Farnham, Stephen Palmer School Grades V and VII, and Ruth B. Wilbur, Stephen Palmer School Grades II and IV. Last January Florence L. Bean, the supervisor of drawing, resigned and Florence H. Russell was elected as her successor. Last June, at the end of the school year, three teachers, Lucy F. Crocker, Celia Marshall, and Ethel L. Buckley left the school system. Miss Crocker and Miss Marhsall resigned to accept more lucrative positions in Brockton. Mary E. King and Anna K. Elson were elected to fill their places in the high school and Ola M. Chase to fill Miss Buckley's position in the Kimball School. Our loss of teachers has been very small since sufficient salaries are now paid the teachers so that they wish to remain in Needham. The permanency of the corps is producing steady advancement in many lines. The improvement in attendance has already been mentioned. The distinct advancement in the discipline of the schools ought to be mentioned. The teachers are striving in every way to rule the children by gentler means; they are gradually banishing the rod from the school. The record of cases of corporal punishment for four years is as follows: in 1911–12 there were 109 cases, in 1912–13, 87 cases, in 1913–14, 78 cases, and in 1914–15 only 31 cases. The spirit of sympathy and good will from teacher to pupil and *vice versa* is very noticeable in every school room. This does not mean that the teachers are adopting a weak form of discipline that tends to undermine efficient work. Their "yea" still means "yea" and their "nay" "nay," and the children are taught to obey the reasonable requirements of the school. On the other hand there is no slavish fear of the teacher. The children are taught to do right because it leads to happiness and success. The children love their teacher, they wish to please her, they respect her authority; these circumstances are the alpha and omega of good discipline.

School Equipment and Repairs

Next after the child and the teacher come the housing and the equipment of the school property. We have comfortable school buildings and these have been kept in as good condition as the funds at the disposal of the school committee have permitted. Quite extensive repairs are still needed at the

Old Avery school, especially new floors, steel ceilings, and new desks for the pupils. The fire that occurred during the summer vacation in this building made it necessary to put in a new floor in the north room of the third story and to tint the walls and ceilings of all the rooms and to put some new furniture in the building. These repairs show the necessity of completing the work and making the school in excellent condition throughout. We hope that this may be done soon. The high school needs a number of inside repairs. The janitor, Mr. Fitzgerald, has been unsparing in his efforts to make the building and the grounds beautiful. He has made the grounds around the building very attractive, he has cleaned and renovated every part of the building, he has polished up the furniture so that it shines like new. It remains now for the school committee, when they have the funds, to improve the walls and ceilings. With tinted walls and steel ceilings the interior of the building would be beautiful. The Eliot School has been painted two coats on the exterior and the shingles on the roof have been renailed. The portable school that stood in the Kimball yard has been moved to the lot recently purchased by the town on Highland Terrace in the Riverside district. It has been connected with the town water system, good closets have been built on the side of the house and a drinking fountain has been put in the entry. The outside of the building has been painted, a new cement walk has been laid to the front door, and the grounds have been cleared of bushes and a part of it made ready for seeding down. This school supplies the needs of the primary pupils in this district and takes the place of the school that has been in the boat house for the last two years. The school authorities are deeply grateful to the Saco-Lowell Shops for the use of the room in the boathouse for these years. It has been a great convenience to the small children. There have been a number of minor repairs done by the committee during the year and among them is a new cesspool dug in the Kimball yard. Although the Stephen Palmer School was completed in 1914, this building ought not to be passed over without a word of commendation. It is the best school building in our system; it is entirely modern in every respect; it is well lighted, well heated, and well ventilated. During this year the committee have furnished the teachers' room and installed

electric lights in the building. For repairs in the immediate future we ought to paint the exterior of one building each year until they are all in good condition. If we secure the necessary appropriation, it would be advisable next year to take one building, the Old Avery, the High, or the Dwight, and renovate it thoroughly both inside and outside. If we could continue this plan for a few years, we could have our buildings in excellent condition. We need new furniture in the Dwight and the Old Avery schools. Nearly all of our schools are fairly well equipped with books and supplies and the laboratories in the High School are in good condition for effective work in physics and chemistry. Some additional apparatus will be needed for the work in botany and biology and for the changes that occur in the methods of teaching physics and chemistry.

Cost of the Schools

The cost of our schools has increased considerably in the last five years. I wish to analyze this increase. The fuel bill five years ago was about $2,700, this year it is about $3,600, an increase of about $900. In the five years three new buildings have been added to our school equipment, two portable schools and the Stephen Palmer School. The coal for the Stephen Palmer School this year cost $556. Five years ago the school department paid for the long ton on an average $7.05, this year for the same ton $7.24, an increase of 19 cents per ton. This makes an increase of about $100 in the cost of the coal. The cost of the coal for the portable schools is about $75 per year. More wood has been used by the janitors the last two or three years and the price has increased a little. These facts explain the increased cost of fuel. The price per ton for coal given the school department by the dealers, $7.20 per long ton of 2240 pounds delivered during the summer and $7.45 for the same ton delivered during the winter, is fair and moderate. We are using now about 475 tons for the whole system and the total expense for fuel should not exceed $3,600.

The cost of books and supplies for 1910 was $3,881, in 1911 it was $3,972, in 1912, $4,006, in 1913, $3,744, in 1914, $3,610, in 1915, $2,800. The cost for 1915 is a normal amount for the ordinary books and supplies for 1,250 pupils. The larger

amount in previous years was necessary to equip the laboratories in the High School and to pay up bills that had been carried over from year to year. About $200 should be added to the laboratory supplies in the High School each year to replace the wear and tear and keep up with the advance in science. Our school population is increasing at about 50 pupils per year; it costs about $100 per year to supply these additional pupils with books, so that we will have to expect an increase of about $100 per year in the cost of books and supplies. For our present number of pupils $3,000 is a normal amount for the cost of books and supplies for one year and will permit of some additions to the laboratory equipments.

The cost of repairs in 1911 was $5,150; this included the remodeling of the Harris School at a cost of $2,862. In 1912 the cost of repairs was $1,572, in 1913 the cost was $2,004, in 1914 it was $3,636 which included the repairing of the Kimball School at a cost of about $2000, in 1915 it is about $2,900, which includes the moving of the portable school to the Riverside district and properly supplying it with water and closets at an expense of about $500. From an analysis of these figures it can be seen that the ordinary repairs cost about $2000 per year. For any extensive repairs a larger sum is needed.

The cost of tuition paid to Wellesley is about $200 per year and has not varied much in the five years. In 1914 $221 was paid Newton for tuition of illiterate pupils in their evening school. This year we are teaching these pupils in our evening school. This year we have two pupils who are attending schools in Dover. The number attending school in Wellesley is growing less so that we may reckon on $200 as the cost of tuition.

In 1911 the cost of transportation was $450. This year the barge for the transportation of the Riverside pupils to the Eliot School was started in the fall term and used for four-tenths of the year. For 1912 the cost of transportation was $772, in 1913 it was $891, in 1914 $1,105, in 1915 about $1,000. The large increase of 1914 over 1913 was due to transferring the more advanced grades of the Parker School to the Kimball School. The number transferred from that district has been as large as 19. The normal number will be about 15. The number transferred from the Harris School and the Dwight

School to the Kimball School, Grade IX, will increase somewhat in the future. The necessary expense for transportation will be from $1,100 to $1,200.

The cost of electric light has increased somewhat on account of opening the evening school and on account of installing the lights in the Stephen Palmer School. The cost of janitor's supplies has increase because of the additional buildings. These two items are classed under operating expenses and have increased from $250 to $350. Under our present equipment these expenses should not exceed $400.

The cost of the school committee rooms in the Ingols Block may be saved as soon as the Public Library is transferred to its building on Highland Avenue and vacant rooms are made for the school department in the town hall. This would save $250 for rent and $60 for janitor service.

The miscellaneous expenses have averaged about $300 per year and should not exceed this amount.

The large increase in the cost of the schools is in the salaries. The salaries in 1911 amounted to $26,827, in 1915 $40,288, an increase of $13,461. Part of this increase is due to additional teachers and janitors. The salaries of the seven additional teachers for 1915 amount to $4,326, the salaries of the two additional janitors are $760, total $5,086; this amount subtracted from $13,461 leaves $8,375, the increase in the salary schedule during the five years. The following table shows the itemized salaries for five years and the respective increases during the five years. It is to be noted that there has been a decided increase in every item. The school committee feel that they are now paying reasonable salaries for good service and can hold their employees with very slight loss each year. Such a permanent corps is producing the best results all along the line.

During the fall term a committee of the Board of Trade wished to make an investigation in regard to teachers' salaries and asked me to ascertain what these salaries are in the suburban towns near Boston. I wrote to the superintendents of thirty towns of medium size within twenty-five miles of Boston. These towns are Abington, Andover, Arlington, Belmont, Braintree, Canton, Concord, Danvers, Dedham Easton, Framingham, Hingham, Lexington, Milton, Natick, Norwood, Peabody, Reading, Saugus, Stoneham, Stoughton,

TABLE OF SALARIES FOR FIVE YEARS AND THE INCREASE

EMPLOYEES	1911	1912	1913	1914	1915	Increase During 5 Years
Superintendent of Schools	$1,750	$2,214	$2,486	$2,400	$2,400	$650
Principal High School	1,440	1,533	1,946	2,060	2,100	660
Submaster High School	1,100	1,060	1,240	1,340	1,380	280
Assistants High School	**5 teachers**	**5**	**5⅓**	**6**	**6**	**1**
	$3,670	$3,694	$4,452	$5,028	$4,804	$1,134

Wakefield, Watertown, Wellesley, Weston, Weymouth, Winchester, Winthrop, Whitman, Walpole. I received replies from all but two of the superintendents. I called at the rooms of the State Board of Education and got the very latest returns from these towns for the school year 1914–15 in regard to the total salaries of the teachers and the total cost of text-books and supplies. I have tabulated these figures and struck the averages. The cost per pupil for teachers' salaries and for text-books and supplies is based upon the average membership of the schools. The following table gives the tabulations in a condensed form.

TABLE OF SALARIES, COST OF TEXT-BOOKS AND SUPPLIES

	Average of thirty towns around Boston	Needham
Salary of superintendent	$2,338	$2,400
Salary of principal of high school	2,005	2,100
Salary of submaster of high school	1,348	1,380
Maximum salary of women teachers of high school	930	960
Average salary of women teachers of high school	792	819
Maximum salary of principals of grammar schools	1,197	1,104
Average salary of principals of grammar schools	1,182	1,050
Maximum salary of principals of primary schools	806	828
Average salary of principals of primary schools	761	828
Maximum salary of teachers in elementary schools	716	792
Average salary of teachers in elementary schools	649	716
Salary of supervisor of drawing	870	750
Salary of supervisor of music	1,022	1,008
Total cost of salaries of teachers 1914–15	40,242	34,944
Cost per pupil for teachers' salaries based on average membership	26 50	29 14
Total cost of text-books and supplies 1914–15	3,642	2,805
Cost per pupil based on average membership of text-books and supplies	2.39	2.34

This table shows that the cost of books and supplies for the school year 1914–15 in Needham is less than the average of the thirty towns around Boston and the cost of salaries is a little more than the average. By raising the salaries of the school department to a good standard, Needham has been able to retain her teachers and keep a permanent force. Last year we lost no teachers in the elementary schools on account of going to higher-salaried positions elsewhere; while many of the thirty towns that have smaller salaries than Needham reported their loss of teachers as large on account of leaving to go to positions in other places paying better salaries. One town reports the loss of twelve teachers and another fourteen on account of getting better salaries in other towns or cities.

Teachers' Retirement Association

Nearly one-half of our teachers are members of the Teachers' Retirement Association. There are forty-five teachers in all in the school department, twenty of these are members of the Association. These teachers pay into the state treasury $95.15 per month for ten months in the year, or $951.50 per year. The members of the Retirement Association may retire from service at the age of sixty and must retire at the age of seventy. They receive from the state, when they retire, an annual pension consisting of two parts, (1) the annuity that the sum of their assessments with 3% interest will buy at their age of retirement, (2) the annuity that the sum of the assessments for thirty years based on the average salary for the last fifteen years would buy at their age of retirement. In the majority of cases these assessments will not have been paid for thirty years, but be that as it may, the teacher is sure to receive an annuity at her retirement equal to twice the amount that the sum of her assessments will buy. No annuity will be less than $300 per year. In the provisions of this law the state has been liberal with its teachers. It gives them an annuity in which the state contributes as much as the teacher and in the great majority of instances several times as much as the teacher.

School Savings

The system of school savings has now been in operation in our schools for over a year and has demonstrated its success

in teaching the habit of saving money to our children. The first collection was made on September 29, 1914. While the weekly savings during this last term has not been quite as large as that of the fall term of a year ago when the institution was started, yet it is very close to the average of the last school year and shows that the interest is not waning. The following is the record of the savings of the children for the last school year.

REPORT OF SCHOOL SAVINGS FOR SCHOOL YEAR 1914–15

Number of depositors		764
Number of pass books		423
Total amount deposited		$3,772 17
Total amount on pass books	$3,242 20	
Withdrawn on pass books	155 00	
Balance now on pass books	3,087 20	
Balance in trustee's account	418 53	
Withdrawn from trustee's account	111 44	
Total of trustee's account	529 97	
Sum of totals of pass books and trustee's account		$3,772 17
The largest amount deposited by any pupil		60 00
The smallest amount deposited by any pupil		01
The average amount deposited per pupil		4 94
The average amount deposited per week		104 78

Amount deposited by the several schools:

High	$196 90	Harris	$165 03
Riverside	48 47	Eliot	299 27
Stephen Palmer	324 35	Kimball	1,028 12
Avery	1,491 92	Parker	81 05
Dwight	137 06		

Amount deposited by the several grades:

Grade I	$353 92	Grade VIII	$317 90
Grade II	503 66	Grade IX	505 62
Grade III	480 59	Grade X	82 40
Grade IV	511 21	Grade XI	54 25
Grade V	327 46	Grade XII	41 75
Grade VI	321 01	Grade XIII	18 50
Grade VII	253 90		

The following is the record of the school savings for the fall term, 1915.

Number of depositors		737
Number of pass books		430
Total amount deposited from the beginning		$5,262 93
Total amount deposited last school year	$3,772 17	
Total amount deposited this fall term	1,490 76	
Total amount on pass books from the beginning	4,559 20	
Withdrawn on pass books from the beginning	431 25	
Balance now on pass books	4,127 95	
Balance now in trustee's account	547 50	
Withdrawn from trustee's account	156 23	
Total of trustee's account	703 73	
Sum of totals of pass books and trustee's account		$5,262 93
The largest amount deposited by any one pupil		87 00
The smallest amount deposited by any one pupil		01
The average amount deposited per pupil fall term		2 02
The average amount deposited per week fall term		99 38

Amount deposited by the several schools fall term:

High	$87 70	Kimball	$218 75
Avery	621 84	Stephen Palmer	327 14
Eliot	105 97	Harris	41 52
Riverside	21 67	Parker	26 63
Dwight	39 54		

Amount deposited by the several grades fall term:

Grade I	$133 32	Grade VIII	$97 72
Grade II	150 78	Grade IX	196 59
Grade III	150 55	Grade X	19 35
Grade IV	219 37	Grade XI	10 70
Grade V	191 28	Grade XII	65
Grade VI	143 66	Grade XIII	57 00
Grade VII	119 79		

The Parent-Teacher Association

During the school year 1914–15 the Parent-Teacher Association had four regular meetings. The October meeting was a reception given by the parents to the teachers. There was a short musical program; after that there was a good opportunity for parents and teachers to get together and discuss school questions and problems. At the December meeting Dr. David Snedden, State Commissioner of Education, discussed manual training in the schools. In the February meeting Dr. William Mitchell gave an excellent talk on health in our schools, touching upon the humidity, temperature, and ventilation of the school rooms. Mr. Thomas Curley of Waltham spoke on the playgrounds and organized play. At the May meeting Mr. William Orr, Deputy Commissioner of Education, gave an address upon the topic, "What Community and School Owe Each Other." During this year a fund was started for the purpose of helping our young men and women in their college education. The New Century Club has generously contributed to this fund and the Parent-Teacher Association has added to it. It now amounts to $246. Part of it has been used this fall to help a deserving student now in college.

The meetings of the Parent-Teacher Association for the school year 1915–16 are as follows: October meeting, reception to teachers; December meeting, health night, addresses by our local physicians, considerable attention will be given to the care of the teeth; February meeting, playground and summer school night, addresses by Mrs. McPheters, who had charge of the playground last summer and by the superintendent of schools of Rockland, Mass.; March meeting, agricultural evening, school and home gardens discussed, address by Prof. Morton of the Massachusetts Agricultural College; May meeting, the annual meeting, the election of officers and the reading of reports, address by Dr. David Snedden, State Commissioner of Education. It will be an interesting year for members of the Association and our schools will be benefited.

The Playground

The playground was instituted by vote of the town at the meeting last March. The town voted $400 for its main-

tenance and placed its organization in the hands of the school committee. The committee secured Mrs. Nellie W. McPheters of Somerville, Mass., to take charge of the playground and employed R. H. McPheters and Miss Eunice Rae as assistants. The playground was run for nine weeks in July and August. The number enrolled was 300; the largest number attending any one day was 200; the average attendance was 140. At the close of the season a fine exhibition was given by the classes. The girls presented their folk-dances and the boys their more vigorous games. The little people had on exhibition some of their handwork done on rainy days and when they needed a change from their games. Of the $400 appropriated by the town $398.02 was expended; $337 of this paid for instruction and $61.02 for apparatus. For the purchase of additional equipment $163.44 was raised by private subscription and $155.56 was expended for this purpose. The balance in the town appropriation is $1.98 and of the private subscription is $7.88. The playground demonstrated its success from the first day. It kept the children off the streets, it taught them how to play in a body and as a team, it used profitably their leisure time. The good results of this training have been noticed by the teachers of our schools this fall term. The children know how to play together and there is less trouble on the playground. If the finances of the town will permit it there should be two playgrounds established next summer, one at Needham Heights and the other on the school field at Needham. These two grounds would meet the needs of nearly all of the children in Needham for summer play.

Evening School

A year ago last March the town voted to furnish rooms for an evening school, if money could be raised by private means to pay for the instruction. Mr. A. E. Brownville raised by subscription about $300. The school opened on January 18, 1915, with Mr. Valentine F. Dunn as principal and Mrs. Walter Proctor and Miss Marie L. Wieczorek as assistants and Mr. W. H. Stanton as janitor. The school was in session for three nights a week, forty-three nights in all; there was two weeks' vacation at Easter; the school closed May 12. The total enrollment was 94, the average membership was 63,

the average attendance 55, and the per cent of attendance 87; three pupils were not absent for the term. Mr. Dunn taught the more advanced division of the school, the grammar school section. These pupils studied arithmetic, spelling, penmanship, composition, history, and physiology. They were constant in attendance, although they were not compelled by law to attend school; they were faithful to and persistent in their studies and made good advancement. Mrs. Proctor had charge of the Italian division of the illiterates. Her class was taught the English language in the main with just a little number. Many of them could speak little or no English; they learned to read, to write, and to spell. Miss Wieczorek had charge of the Russian and Polish divison of the illiterates. Her work was similar to that of Mrs. Proctor's, teaching her class to read, write, and speak the English language. However, a number of pupils in each of these classes did some very good work in the fundamental rules of arithmetic. A strong desire for the knowledge of English was manifested in both classes and their advancement was very noticeable. Two of the girls that have attended the Newton as well as the Needham evening school were raised from the illiterate to the literate class and by examination this fall were granted literate educational certificates. It is the intention of our evening school instructors to work in harmony with the naturalization bureau in Washington and educate our young men to become American citizens and voters.

The school opened this fall on October 18. Mrs. Proctor was unable to take up the duties of teacher this year and Mrs. Horace Bowditch was elected to fill her place. This year the money to support the school was appropriated by the town, since the state law requires the towns to run an evening school if there are twenty or more illiterates in town as shown by the educational certificates. The school has now been in session eight weeks. The enrollment and the interest are as strong as last year and the pupils are making good advancement. The Italian class has become larger than last year and the Russian-Polish class smaller, so that some of the Italians have been transferred to Miss Wieczorek's class. The general lines of instruction are carried on as last year.

School and Home Gardens

The school and home garden project has become of considerable interest in our school system. Five schools, Kimball, Avery, Eliot, Dwight, and Harris, received seeds and have sent in reports. The seeds were received from Congressman William H. Carter, from the Massachusetts Agricultural College, and from Mrs. Moses Williams, Jr. The results of the planting are given in a report from each school.

Avery School

The children of the Avery School became especially interested in gardening this year and practically every child from the third grade through the ninth grade (over 200 in all) was given seeds of some sort. Thirty-six of the children were given vegetable seeds from the Massachusetts Agricultural College. Twenty reported good success. The crops varied from 40 to 250 ears of corn, from one-half a peck to a bushel and a half of potatoes. A bushel of beans was the largest crop of beans reported. The largest number of tomatoes harvested was 75. Eleven of the children forwarded their reports to the officials at Amherst in charge of the extension work with the hope of receiving blue ribbons for their success.

Penny packages of flower seeds, amounting in all to about the value of $8, were purchased by the pupils of the grammar grades. The seeds were furnished by the School Garden Association of Boston. Many of the children reported satisfactory results from these seeds which they used in flower gardens at home. The school garden, which was planted and cared for by six pupils of the seventh grade, contained some fine beds of petunias, marigolds, sunflowers, sweet alyssum, Chinese pinks, bachelor buttons, and asters. It presented a very pleasing appearance during the summer months.

The vegetable seeds from Congressman Carter were distributed among the pupils of Grades III–IX. Eighty-one packages were distributed and fifty-one pupils reported a good crop.

One of the eighth grade boys entered the pig contest, and another boy from the same grade entered the poultry contest which was being conducted by the Agricultural College. Four pupils sold some of their garden products.

Kimball School

From the seeds furnished by Congressman Carter there is the following report. Number of pupils who had gardens 50, number of plots of cabbage 16, of lettuce 23, of turnip 22, of cucumber 17, of radish 7, of squash 6, of onion 3; total number of plots 94. The crops ranged from an entire failure on account of cutworms, etc., to the gathering of 100 heads of cabbage by Mildred Bleakney, 250 heads of cabbage by Melvin Parker, and 175 heads of cabbage, 50 heads of lettuce, 20 bunches of beets, 20 bunches of radishes, 2 pecks of turnips, 10 cucumbers, and one quart of onions by George Twigg, Jr.

From the seeds furnished by the Massachusetts Agricultural College there is the following report. Twenty-nine plots of beans with crops ranging from a few pods to two and one-half bushels; 25 plots of beets, crops ranging from a few to 103 beets; 15 plots of sweet corn, crops ranging from a few ears to 448; 6 plots of tomatoes, crops ranging from a few to one bushel of green tomatoes and two dozen ripe ones; 5 plots of potatoes, no crop reported. The total number of gardens was 80. The names of thirty-one children, especially deserving of praise, have been sent to Secretary Morton of the Agricultural College.

The number of flower gardens planted by the children was 24 and in all there were 30 different kinds of flowers raised. Angus Cathey had the largest variety of flowers in his garden, thirteen different kinds.

Eliot School

Mrs. Williams gave flower and vegetable seeds to forty-four pupils of this school. She awarded prizes to nineteen having the best gardens and honorable mention to eight others. Nearly all of the gardens were a success.

From the Agricultural College two pupils obtained seed potatoes and four beet seeds. Half of these had good success with their seeds, one failed to plant properly, and two did not plant the seed.

Nearly all of the pupils reported successful results with the seeds obtained from Congressman Carter.

Dwight School

Five pupils of this school received potatoes from the Agricultural College. Three met with good success but two

failed on account of the heavy rains. Six pupils received tomato seeds. Their crops varied from a peck to two bushels.

The children who planted the seed received from Congressman Carter had better results. They raised a fair amount of lettuce, radishes, turnips, and beets.

Harris School

During the spring term Mrs. Moses Williams, Jr., supplied flower and vegetable seeds to pupils of this school. The pupils were instructed by their teachers in regard to location and size of gardens, preparation of soil, and method of planting. They were enthusiastic over their prospects and derived much pleasure from their gardening during the summer. Toward the last of August Mrs. Williams inspected their gardens and found, in almost every case, gratifying results. She then awarded prizes consisting of money and badges. Parents, teachers, and pupils are grateful to Mrs. Williams for her kindly interest and encouragement.

Health and School Physicians

The health of our school children considered as a whole is good. If we could avoid the epidemics of contagious diseases that sweep over the town and if the parents would heartily co-operate with the school physicians when notices are sent home, the health of our school children would be far above the normal. An epidemic of measles passed over the town last spring and took many out of school for several weeks and must have been a serious drain upon weak constitutions. Many parents are not careful enough to segregate their children who may be sick with some contagious disease. These children allowed to roam at pleasure spread the disease and cause irreparable harm to many others. We should remember the Golden Rule. Again, there ought to be some way to induce the parents to follow the advice of the school physicians in the notices sent home. Many times the health of the children could be much improved if the advice given was followed. Adenoids in some cases have not been removed even after repeated requests by the school physicians. Teeth in bad condition have not been cared for and eyes that need glasses have been neglected. If these suggestions of the school physicians could be carried out, many children would

have better health and a stronger education. The care of the teeth ought to receive more consideration than it does at present. A perfect set of teeth is a great asset to digestion and is one of the essentials for good health. We do not realize the value of good teeth until we lose them. There should be a dental clinic in our schools. The dentists of our town are willing to give some of their time to the schools for the sake of securing and preserving good teeth. It would need but slight equipment for this purpose, which could be secured at a small expense. It seems to me that such service would be of inestimable value to our children and I recommend its consideration to the committee.

Music and Drawing

The music of our schools is still under the able direction of Miss Ellen H. Bartlett, who has served the town for a number of years. There has been steady advancement in the practice and knowledge of music among our pupils during these years. This instance well illustrates the great value to our school system of retaining a good teacher faithful to every duty. Last January Miss Florence L. Bean, who had been supervisor of drawing, resigned her position and Miss Florence H. Russell was elected as her successor. Miss Russell has entered upon her duties with enthusiasm; she is well liked by pupils and teachers; she is doing useful and practical work.

No-school Signal

The no-school signal has now been in operation a little over a year and has shown its usefulness. On January 7 and 13 and February 2, there were severe storms and the schools were closed by the signal. On September 16 and 17 the signal was given on account of the intense heat. The signal is valuable for these days of extreme weather, but there should be some other way devised of giving the signal so that it can be heard in all parts of the town.

School Census

The school census was carefully taken by a house-to-house canvass and then checked with the census of last year and the office cards of the children now in school. Any errors made were thus corrected. Children's names who had not been

found by the census enumerator, but were enrolled in school and were between five and sixteen years of age, were added to the census. On the other hand, children between seven and fourteen years of age, found by the census enumerator but not in school, were looked up by the attendance officer and brought in school if their health permitted. Those children between fourteen and sixteen years of age not in school and not having an employment certificate were required to get one or a home certificate or attend school. We found but very few children whose parents were neglectful of school attendance. The record of the census for the fall of 1915 is as follows:

	Boys	Girls	Total
Children between 5 and 7 years	138	113	251
Children between 7 and 14 years	409	400	809
Children between 14 and 16 years	104	94	198
Illiterates between 16 and 21 years	20	10	30
Total	671	617	1288

Work Certificates

The number of work certificates issued at the office has now passed the five-hundred mark since the new law went into operation two years ago. The number of illiterate certificates issued is about the same as last year and the present number of illiterates in town according to these certificates is about thirty. The evening school and the work certificates are the only means of obtaining the names of the illiterates. The census enumerator cannot get the information. Very few certificates are issued to boys and girls between 14 and 16 years of age. Nearly all of these are attending school. The great majority of the certificates are issued to literates between 16 and 21 years of age. The number of certificates is much larger than the number working since a new certificate has to be issued every time the minor changes his place of employment. The record of the certificates issued in 1915 is as follows:

Number of employment certificates, ages 14 to 16	26
Number of literate educational certificates, ages 16 to 21	143
Number of illiterate educational certificates, ages 16 to 21	14

Use of the Public Library

When Mr. Wadsworth, the agent of the State Board of Education, visited our schools, he suggested that the children should be encouraged to use the Public Library to supplement their work in English. The High School pupils have done this for years and have made great additions to their knowledge of English by the use of the library. The grade pupils have not been so insistently urged to use the books of the Public Library, since the teachers felt that the children ought to be out of doors in the hours of recreation and get active exercise and pure air. A list of books suitable and profitable for children to read have been kept upon the blackboards in many rooms. From this time onward the teachers will take more pains to direct the children's reading and will try to eliminate the great preponderance of cheap fiction and put in its place clean wit and humor and informational and æsthetic literature within the grasp and interest of the child.

How to Promote

The question of promotion is the hardest thing the teacher has to decide. Both the teachers and the superintendent agree upon this proposition that a child should be promoted when physically, mentally, and morally it is better for him to be in the next grade. To be able to decide this matter means that the teacher must have a thorough knowledge of the child. The teacher must be able to determine whether the backward child has the ability to learn certain subjects. The teacher must determine whether the backwardness is due to lack of interest or lack of mental power. If the former, the teacher must devise some means to arouse the interest and bring the child up to the proper standard at the time of promotion; if the latter, the child should not be held back but go on with his class getting what his limited power will permit and not be subjected to the disgrace of a non-promotion. Sickness and slowness are the two leading causes of non-promotion and even these may be obviated to some extent by the maturity of the child. The teachers mean to give every one an opportunity to advance as fast as it is for his best interest to do so and the only question to be asked in these difficult cases is what is best for the child.

A Visit School Week

We want the parents to have a more complete view of the school work and to become better acquainted with the teachers and with the needs of their children. Some time during the school year each school will appoint a visit-school week, at which time the parents will be especially invited to visit the school, see not a special program but the regular routine of the school, and at recess and after school get a chance to talk to the teacher about their children. No display program will be presented in any of the schools during this week, but the regular work will go on in the accustomed way. We believe that the parents by visiting school can give the teachers much valuable information and the teachers in turn can make good suggestions to the parents about the education of the children. At all events mutual good feeling will be established and a closer co-operation in the work.

Conclusion

In conclusion I wish to express my appreciation of all that has been done by every one connected with the schools to lead our children to see the truth and to see it more abundantly.

Respectfully submitted,

A. H. Keyes.

December 31, 1915.

REPORT OF SCHOOL PHYSICIAN

FOR HIGH, KIMBALL, STEPHEN PALMER, HARRIS, AND PARKER SCHOOLS

To the School Committee:

I herewith submit my report as school physician of the High, the Kimball, the Stephen Palmer, the Harris, and the Parker schools for the school year 1914–15.

Number of visits to the High School	58
Number of visits to the Kimball School	61
Number of visits to the Stephen Palmer School	50
Number of visits to the Harris School	32
Number of visits to the Parker School	30
Number of visits to the home	3
Number of office examinations	25
Number of physical examinations	687
Number of pupils with defective sight	50
Number of pupils with defective hearing	5
Number of pupils with defective teeth	162
Number of pupils with enlarged tonsils	61
Number of pupils with adenoids	61
Number of cases of tonsilitis	12
Number of cases of measles	140
Number of cases of whooping-cough	19
Number of cases of chicken pox	2
Number of cases of malaria	4
Number of cases of bronchitis	1
Number of cases of influenza	10
Number of cases of skin disease	1
Number of cases of cardiac disease	3
Number of cases of nervous diseases	2
Number of cases of pediculosis	58
Number of cases of pulmonary disease	3
Number of cases of enlarged glands	1
Number of cases of rheumatism	1
Number of cases of injuries	1

Vaccination

The following statute, without the exception, has been a school law since 1855. The exception dates from 1898. "A

child who has not been vaccinated shall not be admitted to a public school, except upon presentation of a certificate granted for cause stated therein, signed by a regular practising physician, that he is not a fit subject for vaccination." Nothing could be plainer or more mandatory. Certificates of vaccination have been required and in most cases have been verified, and with but very few exceptions all pupils have been vaccinated before entering school or soon after.

Measles

During the winter and spring months an epidemic of measles occurred which did not prove to be alarming, yet the exclusion from school failed to check the spread of the disease. This epidemic shows the necessity of consulting a physician in the early stages of measles, which are more likely to prove infectious than the later stages. An indifferent care has been shown and a tendency to let light cases take care of themselves with a complete forgetfulness of isolation as far as other people's children are concerned, to say nothing about other members of the same family. That there has been no death cannot be construed to mean that the epidemic has not been serious, and serves to point toward the need of a more efficient isolation than generally prevails and a co-operation on the part of the parents with the school and the health officials.

In conclusion I take this opportunity to thank the superintendent of schools, the teachers, the pupils, and the district nurse for their assistance and hearty co-operation.

Respectfully submitted,

ALBERT M. MILLER, M.D.

REPORT OF SCHOOL PHYSICIAN

FOR AVERY, ELIOT, DWIGHT, AND RIVERSIDE SCHOOLS

To the School Committee of Needham:

I herewith submit my report as school physician of the Avery, the Dwight, the Eliot, and the Riverside schools. The following table gives a report of my work for the school year 1914–15.

Number of visits	135
Number of physical examinations	583
Number of office examinations	85
Defective sight	28
Defective hearing	9
Defective teeth	178
Hypertrophied tonsils	20
Adenoids	20
Number of cases of tonsilitis	12
Number of cases of mumps	1
Number of cases of malaria	21
Number of cases of influenza	9
Number of cases of measles	83
Number of cases of whooping-cough	17
Number of cases of chicken pox	2
Number of cases of nervous diseases	3
Number of cases of scarlet fever	8
Number of cases of skin disease	16
Number of cases of cardiac disease	5
Number of cases of pediculosis	29
Number of cases of infected cervical glands	3
Number of cases of injuries	12

The epidemic of measles in the schools was the most severe we have had for several years. This disease was very prevalent throughout the country last winter.

We had eight cases of scarlet fever, the cases appearing within a few days of each other in the Avery and the Riverside schools. These schools were closed for one week; only one new case was reported afterward. There was no death from either epidemic.

Respectfully submitted,

WILLIAM MITCHELL, M.D.

Joseph Satterlee
(Member of the School Committee)

CLASS SONG ..... *Helen Dorothy McIntosh*

Accompanist, Harold Raymond Slaney

CLASS SONG OF 1915

TO NEEDHAM HIGH SCHOOL

Now as we all are gathered here, our last farewell to sing,
To thee, O Alma Mater dear, this tribute we would bring —
With you we've dwelt for four long years; you've cheered us in our strife,
And taught us how with courage strong to face the work of life.

And so to guide us 'midst the toil and battle for the right,
You spoke with fostering mother's care, in words of force and might
A message, which emblazoned fair on banner floating free,
Sets hearts aglow, uplifts our faith, and leads to victory.

"He conquers who controls himself," that message is, we know;
Its words have strong and stronger power as on our way we go.
May future days be just as bright as those you've led us through:
So once again farewell to thee, O Alma Mater, true.

— *Helen Dorothy McIntosh*

GRADUATING EXERCISES

NEEDHAM GRAMMAR SCHOOLS

Friday, June 25, 1915, at 2.30 o'clock, Town Hall, Needham, Mass.

MARY VIRGINIA E. HILL FUND

On October 27, 1915, I received as Town Treasurer the sum of $500.00 from the executors under the will of Mary Virginia E. Hill, late of our town. The following is the reading of the bequest:

> "I give $500.00 to the Town of Needham, Mass., where I now live, the income of which shall be expended to prevent or prosecute cruelty to animals within said town."

Receipt of this sum was duly acknowledged and deposit made in the savings department of the Needham Trust Company on October 28, 1915, in the name of the Town of Needham, Mary Virginia E. Hill Fund.

Charles E. Stanwood,
Treasurer Town of Needham.
